

Nationalism A Menace To Operation Of The League Of Nations

BY FRANK M. HEMMONS. (Copyright By McClure Syndicate) The announcement that Hungarian troops have occupied Transylvania as well as Buda Pesth will surprise no one at all familiar with the temper of the Hungarian people and the conditions in the Near East. Before the Paris Peace Conference, the Hungarian government of Bela Kun, which was not entirely vitiated by the dramatic expulsion of Bela Kun when the Hungarian troops were at the gates of Buda Pesth. The occupation of the Buda Pesth is a different question. The province is disputed between the Serbs who claim a part of it, and the Hungarians and the Rumanians, both of whom claim all of it. The largest single ethnic group is Rumanian, but it constitutes less than half the population, and there are large Magyar, German and Serbian minorities. It is one of the fables of fate that...

President States He Has No Power To Declare Peace By Proclamation Prior To Ratification

MEXICO REQUESTS THE WITHDRAWAL OF AMERICAN TROOPS

WASHINGTON, D. C., August 21.—Protest against the entry of American troops in Mexico in search of bandits who held two American army officers for ransom together with a request that they be withdrawn immediately was made to the state department today by the Mexican ambassador. The ambassador acted on instructions from his government. It was announced at the state department that no answer to the protest would be made today. While an announcement regarding the movement of the American forces was made, there were indications that the Mexican protest would not hasten their withdrawal. The troops went in on a "hot trail" and were not expected to return until the bandits either had been captured or the trail had become cold.

L&N Train Held Up

NASHVILLE, TENN., Aug. 21.—Bandits held up Louisville and Nashville passenger train Number 7, from Cincinnati to Montgomery, Alabama, between Columbia and Pulaski, early today and carried off the mail pouches. None of the passengers was molested. The robbers, four in number, forced the engineer to cut off the mail car and run some distance with it. Covering the engine, the robbers went to the mail car, where they found wild and rife the mail car. The amount of lost mail could not be determined. The locomotive family was kept at White, Tennessee, and the bandits made off without molesting the express car. Pouches from nearby counties are searching for the robbers, who had a long start.

COLUMBUS FOOD DEALER IS GIVEN A HEAVY FINE

COLUMBUS, O., August 21.—Thirteen food dealers arrested last week by the state of Ohio on charges of violating the Smith cold storage law by holding meats in cold storage longer than the time limit set by the law, were found guilty on one count in municipal court here today and were given the maximum sentence—a fine of \$500 and costs. The Leonard case is the first of the forty to come to trial and will be made a test case. Attorneys for Leonard said the case would be appealed immediately and would be rushed through to the Ohio supreme court as quickly as possible. Leonard was tried on only one of the 12 charges against him. It was considered probable that the other 11 charges would not be pressed until a decision is given by the supreme court. The charges upon which Leonard was found guilty was that he kept poultry in cold storage longer than 10 months, the time limit set by the health law. The Leonard case attracted general interest. Attorney General Price of Ohio, conducted the prosecution. Several attorneys represented Leonard and other partners interested.

MARTIAL LAW IN HUNGARY

COPENHAGEN, August 21.—Martial law has been proclaimed throughout Hungary, says a Budapest dispatch dated Wednesday. The president of the assembly has declared that the situation in Hungary is such that martial law is necessary to maintain order and to protect the lives and property of the Hungarian people. The declaration is a response to the demands of the Hungarian government for immediate action against the forces of disorder and anarchy that have taken control of the country.

IMMEDIATE RATIFICATION WILL CUT LIVING COSTS, INSISTS THE PRESIDENT

WASHINGTON, D. C., August 21.—The sense created by the association of governments. Ratification Will Reduce The Cost Of Living. "In reply to your sixth question, I can only express the confident opinion that the immediate adoption of the treaty, along with the articles of the covenant of the league as written, would certainly within the near future reduce the cost of living in this country as elsewhere, by restoring production and commerce to their normal strength and freedom. "For your convenience, I will number the remaining paragraphs of this letter as the questions to which they are intended to reply are numbered: "I have had no official information as to whether Norway, Sweden, Denmark, Holland or Switzerland will join the league. "I answered your eighth question in reply to a question asked me at our conference the other day. (This question referred to licensing of exports to Germany.) "In February, 1917, Spain was requested to take charge of American interests in Germany through her diplomatic and consular representatives and no other arrangement has since been made. "The committee to prepare plans for the organization of the league, for the establishment of the seat of the league, and for the proceedings of the first meeting of the assembly, has been appointed but has not reported. "Article 118 of the peace treaty, Part IV, under which Germany renounces all her rights to territory formerly belonging to herself or to her allies was understood, so far as special provision was not made in the treaty itself for its disposition, as constituting the principle allied and associated powers' authority by which such disposition should ultimately be determined. It conveys no title to those powers, but merely entrusts the disposition of the territory in question to their decision. "Germany's renunciation in favor of the principal allied and associated powers, of her rights and titles to her overseas possessions, is meant similarly to operate as vesting in those powers, but merely entrusts the disposition of the territory in question to their decision. (Continued on Page Eight)

GIANT PLANE IS GIVEN UP AS LOST

PARIS, Aug. 21.—The French airplane, which had been missing since it left Mers-el-Kebir, Morocco, for Dakar, last Saturday morning, generally was given up as lost in aviation circles today. It carried eight passengers. The Goliath left an airfield near Versailles on August 11 and arrived at Casablanca, a distance of 1200 miles, the same day. It was commanded by Lieutenant Boncourt. After taking on machine guns, revolvers and rifles to be used against savage tribes if necessary, it left Casablanca on August 14 for Dakar, a distance of 1600 miles. It was forced to land at Mogador after crossing the Sahara. Since it left Mogador the only word received from it was a wireless message, last Saturday morning, indicating that it was within 60 miles of Dakar.

AMERICAN AND GERMAN SAILORS STAGE A BATTLE

COPENHAGEN, Aug. 21.—Collision between German and American sailors on Tuesday at Neufahrwasser resulted in the wounding of several civilians and one German seaman, according to Danish dispatches received here today. Newfoundland is a seaport four miles north of Denmark. The disorders grew out of a quarrel in a dance hall Monday night, according to these dispatches. Americans involved in the disturbances which were confined to the streets after the sailors left the dance hall, returned to their ship, the destroyer Hale. On Tuesday seamen on leave from the German cruiser Frankfurt came to blows with American sailors and it is said civilians also attacked the Americans. The Americans, supported by French seamen, from the destroyer Claymore, charged the crowds. Shots are said to have been fired from the Claymore, wounding four Germans slightly. Frontier guards dispersed the crowds and the Americans and the French returned to their ships.

THEATRES ARE CLOSED

CHICAGO, Aug. 21.—Eight downtown theatres remained closed today as a result of the strike of actors, stage hands and musicians. There is little chance of any of the closed houses being re-opened for tonight, according to the leaders in the movement against the Producing Managers' Association. Even the managers of the houses affected said the strike lines seemed to be tightening. The downtown theatre which is not "dark" had a brief strike experience preceding the matinee yesterday, when its stage hands and musicians went out along with those at other houses. Shortly after the walk-out, it was found the management is not affiliated with the Producing Managers' Association, and when this was discovered the stage hands and musicians returned for the night performance. Predictions were made today by leaders of the strike that burlesque, vaudeville and motion picture houses would soon close unless the producing managers recognize the Equity Association of Actors and Artists.

POP GEES WINS RACE

POUGHKEEPSIE, N. Y., Aug. 21.—MacGregor The Great, driven by Walter Cox, won the Poughkeepsie 2:14 trot in straight heat in the grand circuit races here today. The time was 2:07 1/4 and 2:06 1/2. Pop Gees won the Vassar 2:10 pace in straight heat with Goldie Todd, time 2:02 1/2 for both heats. CONFIRMATION BY MISTAKE. WASHINGTON, August 21.—Confirmation of A. Mitchell Palmer to be attorney general was made yesterday by the senate thru mistake, it was discovered today, and the action may be reconsidered. While there has been opposition to Mr. Palmer, favorable action was unanimously reported by the judiciary committee and the senate had expected to approve.

## Pike County Man Killed

While making through Northern Pike county, Ohio, and Indiana, Mr. and Mrs. O. F. Dadds, of Sedalia, were witnesses to a most unfortunate accident that ended in the death of "Doc" West, of Latham, Pike county, a young man well known in Portsmouth and vicinity. Mr. and Mrs. Dadds were visiting at the home of the former's brother, Clint Dadds, at one time a member of the Portsmouth police force, at Washington C. H. West was working on a farm near there, and while on a threshing machine, fell through the top and before he could be rescued had his legs ground off. Later he died at the hospital.

Mr. and Mrs. Dadds also visited relatives in Hickman, Ind.

## RED CROSS WORKERS TO MEET HERE

An important Red Cross conference Saturday of next week when workers will take place here on Friday and Saturday at the High School auditorium.

The conference will be about work which is to be carried out by the National Red Cross during the winter. Community organization and the joint plan in general will be discussed and explained.

William C. Hinch, formerly of Berea College, Kentucky, now a member of the Lake Division staff, and Miss Eva H. Sage, field worker of Lake Division staff, will be here with other representatives to take part in the conference. The meetings will all be held in the High School auditorium and will be free and open for everyone, even though the conference is mainly for Red Cross workers of the city and county. It is especially desired that these representatives of the organization be present for the conferences.

There will be an open meeting Friday afternoon, August 29, an evening meeting that day and a morning and afternoon meeting on Saturday, August 30.

Three troop trains passed through South Portsmouth today enroute to Camp Pickett and Camp Dodge.

## SOCIETY

Invitations here received word today of the marriage of Miss Ethel Marie Nagel and Ernest Lester Schusky, a popular young couple of this city, which took place in Cincinnati Wednesday afternoon, at half past three o'clock. The marriage was performed by the Rev. H. Haupt, pastor of St. Peter's Evangelical Protestant church. The attendants were Mr. and Mrs. Albert Frank, of Newport, Ky. Mrs. Frank was Miss Edna Dawson, formerly of this city.

The bride, an attractive brunette, was attired in a suit of navy blue and corresponding accessories. She is the granddaughter of Mrs. Mary Nagel, of 610 Water street, with whom she has been making her home for the past year.

Mr. Schusky is the son of Mr. and Mrs. Henry Schusky, of Offshore street, and lately was discharged from service with the U. S. Army, having been stationed at Camp Sherman for several months. Both Mr. and Mrs. Schusky are identified with the staff of The Times. Mr. Schusky having been with the editorial staff for several years past, and Mrs. Schusky as proof-reader. They have been visiting for the past few days with Mr. and Mrs. Frank in Newport, Ky., and will also visit with relatives in Northwood and Cincinnati before coming home.

Last evening the bride and groom were guests of Mr. Frank Schusky, secretary of the Cincinnati Automobile Club, for dinner in the club-rooms at the Metropole. After a two week stay in Cincinnati, they will return to Portsmouth to make their home.

Quietly and simply marked the wedding of Miss Adeline Bolmore to Mr. Arthur Young today, when the popular couple were united in marriage at half past one at Trinity Parsonage when Rev. N. E. Butler officiated. Miss Louise Shriver, a devoted friend of the bride, was bridesmaid. Mr. Young, assistant Mr. Forest stay for his attendant. Others present for the nuptials were the bride's father Mr. Fred Bolmore, the groom's parents Mr. and Mrs. Ed Young of Scots Trail.

Mr. Young is a prominent employee at the Whitaker-Gleason plant and after a honeymoon spent at Mineral Springs he and his attractive bride, will be at home to their host of friends at 1029 Seventeenth street.

The place of the annual meeting of the Woman's Missionary Society of the Second Presbyterian church has been changed, and the members will be guests of Mr. and Mrs. Charles Hill, who will entertain for their sister, Miss Mary Hill, at their home in Harrisonville. The members are urged to come and bring a box lunch. All will leave the home of Mrs. Irving Drew, on Gallia avenue, at 1:45 Tuesday afternoon, August 28.

Mrs. August Gengenbacher and daughter Miss Marie of Second street returned home today from a two-week visit with Mr. and Mrs. C. L. Hault of Columbus.

Friends of Miss Alberta Locher, daughter of Mr. and Mrs. C. A. Locher with loving care, the hand of the Grim Reaper would not be stayed. He was born at this city about twenty years ago, when he made a host of friends by his congenial nature. Mr. Locher is survived by his faithful wife, Mrs. Mary N. Locher, two daughters, Mrs. Grace King, Robinson avenue and Lincoln street, Mrs. Mary Kessinger, of Lincoln street, two brothers, A. D. Locher, Hillsboro, Va., and Joseph P. Locher, Kansas City, Kan., two sisters, Mrs. Lizzie Van Horn, of Washington, D. C., and one-half brother, Charles Spitzer, of Columbus. One nephew, E. M. Spitzer, of Columbus, was at the bedside of his uncle when death came.

Funeral services will be conducted from the family residence at 2:30 Friday afternoon, with Rev. E. L. Averitt of the First Baptist church in charge. The remains will be laid to rest in Greenlawn cemetery.

Thompson Funeral The funeral of the late Truman E. Thompson will take place from the family residence at Young's Station on Friday afternoon at 2:30. Mr. Thompson was well liked in that vicinity, where he had spent most of his life.

Miss Lindemeyer, soprano, from the class of Mr. Schroeder, the well known baritone and artist teacher of the College of Music of Cincinnati, has been engaged as principal teacher of voice at Wilmington College, Wilmington, Ohio.

Miss Lindemeyer is the daughter of Rev. and Mrs. Samuel Lindemeyer, of Sixth street.

Mrs. John Lutz, of Fifth street, entertained with a six o'clock dinner last evening in honor of Miss Gertrude Eckhart, of Huntington, guest of Mrs. Adeline Eckhart, of Mount street. Covers were laid for Mr. and Mrs. Preston Eckhart, daughters, Ada and Ruby, and son, Preston, and Mrs. Adeline Eckhart, all of Mount street, and the honored guest.

To Visit Here John and Richard Cochran, sons of Mr. and Mrs. George Cochran of Seaman will arrive Friday for a short visit with Mr. and Mrs. C. M. Howland of Franklin avenue.

## Dance Is Big Success

Masked figures tripped the light fantastic Wednesday night at the Millbrook pavilion on the dance for the service men. One of the largest crowds of the season thronged the floor, there being over 75 couples. Many Iron-lungs melted down for the occasion.

Mrs. Katherine Porter played for the dance and is making arrangements for a barn dance for next Wednesday night's dance.

Last night Miss Violet Hahn won the prize for being the best dressed lady on the floor. Miss Mary Jones won the prize for being the most comely dressed lady present.

Charles Spitzer of this city and A. Jewett of Cincinnati were judges who awarded the prizes.

Next Wednesday night prizes will be offered the person who dances best, the one who waltzes and Fox Trot.

## SHOEWORKERS EARN BIG SALARY

BOSTON, August 21.—Inquiry into the high cost of shoes by the county grand jury today, developed that shoe workers had been earning \$120 a week. These instances were few, but it was pointed out that many made \$60 a week, while the average was about \$40. Boys have been getting \$30 a week. It was said that a pair of shoes sold by a manufacturer for \$5.50 was displayed in a store 400 yards from the factory marked \$12.

NOB SLAYS NEGRO LOUISBURG, N. C., August 21.—Walter Elliott, a negro, who is alleged to have assaulted a farmer's wife, was shot to death last night by a mob which later carried the body to the scene of the crime and swung it to a tree in a country church yard. The mob took the negro from Sheriff Kearney, 20 miles from here, while on his way to jail.

Lectured Here Pastor P. D. Pottle, of Dayton, was a business visitor here yesterday. He was a guest at the home of W. H. Spring and family, 1725 Baird avenue. Pastor Pottle also had the pleasure of lecturing to the Bible Students in their hall, Rockwood avenue and Clay streets, last evening, using for his subject "The Ministry of Evil."

EL CENTRO, CAL., Aug. 21.—Lieutenant G. W. Pardy and J. McLaughlin, flying army planes and each carrying an observer, alighted here today preparatory to a search for Lieutenant Waterhouse, who, they said, had been missing from Rockwell Field. Lieutenant Waterhouse was last seen at 5:30 Wednesday afternoon at Jacumba Springs.

All three aviators are members of the ninth aero squadron assigned to border patrol. The two who arrived today would not hazard an opinion as to whether Lieutenant Waterhouse had descended in Mexico, but it was understood that they planned search on both sides of the international line.

GALVESTON, TEXAS, August 21.—Seven of the Mexican bandits, who robbed sailors from the United States cruiser Cheyenne, off Tampico, last month, have been apprehended and put to death by the Carranza authorities, according to an official report from General Pablo Gonzales to Mexican Consul Meade Pierre here, made public today. The report states the bandits had property of the sailors in their possession.

## OBITUARY

Frederick H. Fritts

Surrounded by his family and loving friends, Frederick H. Fritts, a prominent local Real Estate dealer, passed away at his late home, 1401 Lincoln street, at 3:50 o'clock Wednesday afternoon. He had been ill with heart trouble all summer, giving up his work, and had been under the doctor's care since last May. But daughter of Mr. and Mrs. C. A. Locher with loving care, the hand of the Grim Reaper would not be stayed. He was born at this city about twenty years ago, when he made a host of friends by his congenial nature. Mr. Fritts is survived by his faithful wife, Mrs. Mary N. Fritts, two daughters, Mrs. Grace King, Robinson avenue and Lincoln street, Mrs. Mary Kessinger, of Lincoln street, two brothers, A. D. Locher, Hillsboro, Va., and Joseph P. Locher, Kansas City, Kan., two sisters, Mrs. Lizzie Van Horn, of Washington, D. C., and one-half brother, Charles Spitzer, of Columbus. One nephew, E. M. Spitzer, of Columbus, was at the bedside of his uncle when death came.

Funeral services will be conducted from the family residence at 2:30 Friday afternoon, with Rev. E. L. Averitt of the First Baptist church in charge. The remains will be laid to rest in Greenlawn cemetery.

# 35,000 Pounds Sugar Coming

Three hundred and fifty, 100 pound bags of sugar have been sent from an army warehouse, at New York City, to Portsmouth, to alleviate in a measure the sugar shortage here, according to work received by Mayor H. H. Kaps. The sugar will be placed in quantities of 10 pounds, and upon the showing of a sugar card, 3500 Portsmouth families will receive their share of the sugar. Only ten pounds go to each family. A sugar card must be signed at the Mayor's office. The sugar is for Portsmouth families only. An attempt will be made to sell the sugar at 10 cents per pound. Watch the Times for the announcement.

ment of the arrival of the sugar, where it will be for sale, and when to sign the sugar card. Following is the letter received by the Mayor: "In an attempt to relieve the situation as much as possible, we have secured from the Army supplies a small amount of sugar to be taken from warehouse in its present condition as it is. We are distributing this sugar to manufacturers of perishable food products, and under this plan have allocated to you 350 bags. The sugar will be shipped to you, freight collect, as soon as possible after we have received from you a New York Draft for \$3,087.00, this being its full value based on a price of 86 a pound cash, less 2 percent t. o. b. New York. This plan of financing is adopted because we have no facilities for taking care of inventory in the customary way. Yours very truly, U. S. Sugar Equalization Board, Inc. The answer to the offer is given below: U. S. Sugar Equalization Board, Inc. 111 Wall Street, New York City. I am in receipt of yours of the 10th inst. informing me that 350 bags of sugar will be shipped for distribution to the citizens of Portsmouth upon receipt of draft for \$3,087.00. I enclose herewith draft for the above amount. Trusting that you will ship this sugar immediately, I am, Yours very truly, H. H. Kaps, Mayor of Portsmouth, Ohio. Albert F. Marling has been appointed to select a committee to arrange the packing and distribution of the sugar. He was appointed chairman of said committee by the mayor. The sugar is expected to arrive here early next week. A vacant store room will be secured, and the sugar distributed from this point. The cards will be given out at the mayor's office, at a date to be announced later, and only one goes to each family.

## Elks Hold Initiation

At a well attended meeting of the Portsmouth Lodge of B. P. O. Elks No. 154 last night the following members were initiated: Sam J. Welch, Frank Bishop, C. M. Ault, H. W. B. Gilbert, C. E. Cropper and W. J. Hagg. These candidates were elected to membership: Frank Cropper, Wm. Trice and Alfred Fishbein. A buffet lunch was served at the close of the meeting.

## HOW YOU CAN RENEW YOUR INSURANCE

The Red Cross Home Service department which aids the boys who return from service guarantees that government insurance can be renewed by a payment of the premium for the month of discharge and the month of application if the renewal is made any time within the next 18 months after discharge. The application for renewal must be accompanied by a certificate stating that the physical health of the applicant is as good as when the insurance was taken.

Any one wishing to renew his insurance may call at Home Service Headquarters, First National Bank building, for help. Red Cross Home Service work goes on splendidly in the county. Upper Nile and Washington townships were organized August 18th with Don Stockham as chairman of the following committee: Mrs. Ella M. Evans, secretary; Dr. D. N. Hopkins, after-care physician; and Albert Turner, Howard Smith and A. K. Veazy, workers and visitors.

## Ben Hurs To Dance

After the regular meeting of the Tribe of Ben Hur tomorrow night Wyckoff's Trio will furnish music for the dance. Members who wish to learn to dance and to receive the free dancing lesson which starts Sept. 2nd should leave their names at the Ben Hur office.

## A Single Handed Fight

The man or woman who is trying to acquire financial independence is fighting single handed, in other words, under a big handicap, without the aid of a savings account.

You are especially encouraged in the matter of building up your material resources if you carry an account with a strong institution such as THE ROYAL SAVINGS & LOAN COMPANY.

Once you have built up a good balance in THE ROYAL and then wish to build a home of your own you get every consideration for any financial accommodation that you may need.

In the meantime your savings earn 4 per cent interest compounded quarterly.

# Will "Finish The Job" Week Be A Success?

This is the burning question.

After yesterday's Times ran the story of how Scioto County War Savings Committee had planned "Finish The Job" week for September 8-13 many began to ask about town if it were possible to sell over a half million dollars worth of War Savings Stamps before the night of Saturday September 13.

The Scioto County Committee believes it is possible for a single reason. The money for such a drive is in this county, ready for investment. The local committee before ever deciding upon a county wide effort, first considered the financial condition of the county. According to a prominent local business man, who is in one of the best

positions to know the amount of liquid money in the county, financial conditions were never better for a W. S. S. drive in 1918 than they are now. He asserts that there is enough liquid money available for investment to put Scioto county far over its quota for this year.

Local manufacturing concerns report very heavy payrolls. And as for the farmer—well the farmer is going to demonstrate to the city people what a real patriotic country gentleman can do, when he gets his Irish up. There is no valid reason why Scioto County cannot come across and come clean. For the money is here, and some of it is going to be saved. Scenes that rival the days of the

Liberty Loans are going to be enacted in a couple of weeks. The coming drive is going to demand the participation of every person in Scioto County, and Portsmouth is going to live on War Savings Stamps for a solid week. Just now the local committee is busy rounding up its organization in the rural districts. Each township will have its own "Finish The Job" Committee headed by a competent chairman. In all probability the old Liberty Loan Committees will be called into service for the last big effort. W. S. S. seeds are to be sown throughout Scioto County.

When the night of Saturday, Sept. 13 rolls around, Scioto county will be 100 per cent patriotic. How about you?

## ENGINE HITS AUTO; TWO KILLED

HAMILTON, O., Aug. 21—Rooseand Clifford Vanness, of this city, was Roberts formerly of Ironton, was so severely injured that he died, when a Baltimore and Ohio passenger train struck the automobile in which they were riding at a grade crossing at midnight. The front of a locomotive city block.

A passing freight hit the oncoming passenger train from view.

Roberts at one time lived in Portsmouth and was well known here.

## Chance To Get On Crack U. S. Warship

**Farmer Hoyle Pays A Tribute To Nerv-Worth**

It Quickly Banished Rheumatism That An Attack Of The "Flu" Had Made Worse

In making the following enthusiastic statement, Chas. H. Hoyle, of Spring Valley, O., carried out his desire to permit publication in order to do all the good he could for fellow-sufferers. He expressed said so to Nerv-Worth druggist:

Sayre & Hemphill—had been troubled for several years with rheumatism and after a severe attack of the "flu" it became worse. In addition I was nervous, irritable and generally run down. I couldn't sleep well and was out of fix all around. Life was miserable. I tried Nerv-Worth and after just one bottle I feel like a different man. My rheumatism no longer bothers me. I sleep well and eat heartily and am fast returning to my former vigor. I WOULD NOT BE WITHOUT NERV-WORTH IN MY HOME. It has done me more good. I want others to know it. It has real merit.

CHAS. H. HOYLE, Spring Valley, O. R. P. D. 1. Your dollar back at Fisher & Strubbe's Pharmacy, Portsmouth, if Nerv-Worth does not do for you what it did for Farmer Hoyle. The Jenkins Pharmacy sells Nerv-Worth at Oak Hill.

Enlistments for the U. S. S. South Dakota are authorized by the Bureau of Navigation. The South Dakota is an armored cruiser and will be the flagship of Admiral Clegg, new commander-in-chief of the Asiatic Station. She is the best ship in the armored cruiser type and after many months of active duty in the War Zone, is about to start a pleasure cruise, visiting first New York and Panama Canal, then to the Orient, China, Japan, Honolulu, the Philippines, Siam and Borneo.

Enlistments now are two, three or four years. Men enlisting now will be sent direct aboard the South Dakota at Portsmouth, N. H., until August 25th, after that to New York, where the ship will be until the date of departure, Sept. 1st.

Young men taking advantage of this opportunity to see the Old World will apply at

NAVY RECRUITING STATION, Post Office Building, Portsmouth, Ohio. W. B. DICKINSON, C. M. J., U. S. Navy.

**PRINCE ALBERT**  
the national joy smoke

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, *then*, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pike with your smokethrottle wide open! Talk about smoke-sport! Quality makes Prince Albert so

appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokeappetite!

You buy Prince Albert everywhere tobacco is sold. Tossy red bags, tilted tin, handsome round and half pound tin, tinsiders and—just classy, practical round crystal glass humidor with space maintainer too that keeps the tobacco in such perfect condition.

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

## Big Plants Optioned

The Ironton Register Wednesday Ashland. It was not learned whether the option includes the plant of the Union Furnace company. The option does not include the plants of the Mar-

The Bethlehem Steel Company, one of the greatest corporations in the whole world, has secured an option on all the mills, furnaces and steel plants now owned and operated by the Kelly Nail and Iron company, the Belfont Iron Works Company, and the Ashland Steel Plant. This includes the two iron furnaces here, Belfont and Sarah; the wire and nail mills of Belfont and Kelly and the Ashland steel plant at

## ACTORS STRIKE; AUDIENCE DISMISSED

It seems that local people have felt the effects of the actors' strike now being waged in New York City. Paul Davidson, while in New York on a buying expedition for Mardling's store was seated in one of the theatres one evening awaiting the curtain's risings when the announcement was made that the actors of that particular company had gone on a strike just a second before time for the curtain to rise. The audience rose as a man and went in the ticket office for their ticket money.

## The Markets

## NEW YORK STOCKS

NEW YORK, Aug. 21.—Unsettled industrial conditions, particularly in the steel trade, were again reflected in the heavy opening of today's stock market. Losses of 1 to 3 1/2 points were sustained by the equipment, motor and food groups. Rails and shipping also declined, except Marine preferred. Firmer tendencies set in before the end of the first half hour on the support accorded United States Steel, Crucible Steel and oil, especially Mexican and Pan-American Petroleum.

Although starting exchange strengthened and leaders in the steel industry were inclined to minimize the importance of the strike vote, the market soon cancelled its rally. Equipments, motors, food and chemical shares were depressed 2 to 2 1/2 points by shorts. U. S. Steel furnished its 16 point gain, duplicating yesterday's low, and Crucible reached 2 points. Shipplings and rails also declined. Call money opened at 5 to 6 percent.

Adverse industrial conditions precipitated further selling for both accounts in the early stages in today's stock market but many severe losses were less than anticipated last. Sales approximated 1,200,000 shares.

The closing was strong.

## THE MOVIES

MARGUERITE CLARK in "Three Men and a Cradle"

Mary Miles Minter in "Yvonne From Paris." Her Latest and One of Her Best Pictures. Columbia Pictures Tomorrow and Saturday.

In "Yvonne from Paris," which comes to the Columbia tomorrow and Saturday, Mary Miles Minter furnishes conclusive proof that she is not only a silent star for her profession, she could have attained the same enviable heights as a dancer. When Joseph Franklin Poland wrote the story for American, he figured that a "double" would be necessary to put over the numerous dancing scenes, for the plot has to do with the adventures of a little French dancer, the girl of Paris. Miss Minter, however, could handle the scenes perfectly well herself. When her director, Edmund J. Flynn, took her at her word, she surprised the whole company with her clever, top-notch performance.

This Question Is Answered by Marguerite Clark in Picture, "Three Men and a Cradle" at Lyric Theatre tomorrow and Saturday.

If you were a young woman about to be married to an old man whom you detested, what would you do to prevent the ceremony from being performed? Would you make your escape, arrayed in your wedding dress, and hide in the woods? This was the course adopted by Sylvia Weston in the new Paramount photoplay, "Three Men and a Cradle," starring beautiful Marguerite Clark, which will be shown at the Lyric Theatre tomorrow and Saturday.

When Sylvia found refuge in a summer camp owned by her wealthy father and which he had leased to three women sisters for the summer, she caused a commotion. These men were Christopher Kent, who is being pursued by a woman he does not care for; Julius Yoneman, a violinist, who has been killed, and Dr. Henry Forsyth, the self-constituted guardian of the others. They are greatly annoyed to find their retreat invaded by a fascinating girl and they manifest their displeasure so forcibly that she takes refuge in an adjoining house with her old nurse.

The woman sisters then establish a dead line between the two habitations, but it develops that one of them goes to the dead line to talk with the girl whom they find most attractive. Sylvia calls them her "big, middle-aged and little boys," and gradually she learns to love the latter, who is Kent. The cast is excellent, Miss Clark's leading man being Richard Barthelmess. Others in the support include Percy Marmont, Jerome Patrick, Ida Darling, Charles Craig and Betty Boston.

William Desmond at the Exhibit Tonight in "The Sage Brush Handout," A Thrilling Western Comedy-Drama. First Showing in Southern Ohio. Also Big V Comedy.

An unusual western comedy-drama is "Big Bill" Desmond's latest picture "The Sage Brush Handout," which will be shown for the first time at the Lyric Theatre. They called him "Big Bill" Desmond, a man who was caught in the whirl of adventure. Men, women, horses, guns and gold and laughing Dutton took him for a "nut"—just as Larry wanted him to—for Dutton was a bad actor and Larry had a score to settle with him. When Larry fell the program.

## Ethel CLAYTON

### MEN WOMEN and MONEY

Ethel Clayton at Lyric Tonight in Special Feature Star Has Fine Opportunity in New Film, "Men, Women and Money"

In "Men, Women and Money," Ethel Clayton's latest Paramount picture, the star is afforded excellent opportunities for the display of her talents as an emotional actress.

Miss Clayton depicts the lure of society life for a young girl from the Middle West, who once having had a taste of the gorgeous society functions, the games of bridge, the exquisite and expensive gowns and the company of wealthy society idlers, can no longer force herself to be contented in her little home town.

At the death of her parents, she again goes back to the high living, but soon her money is gone and her troubles start. She goes to bridge, a check is issued to her without a penny in the bank, and she is forced to work for her money. "Men, Women and Money" will be shown again tonight at the Lyric. A new Mack-Sennett comedy "Cupid's Day Off" is shown also.

Painter and Paper Hanger

Phone 1015 A 646 Ninth St.

## SHIRLEY MASON

### "The Winning Girl"

Dramatic Picture at the Lyric Theatre Tonight

The feat of catching a spy single handed is one of the thrills of "The Winning Girl." Shirley Mason's new Paramount picture which will be shown at the Lyric Theatre tonight. The episode happens in a textile factory where fabric is made for airplanes. Miss Mason in the role of Jenny Milligan, a girl who is working in the factory, finds the spy pouring acid on the cloth and struggles with him. She gets him twisted in the rolls of cloth and he is taken prisoner. Jenny gets the reward, but a greater one comes when the mother of a young aviator who has won the heart of the girl, finally gives her consent to their marriage.

Also a Paramount-Sennett comedy, "Skeets."

## HARRY T. MOREY

### "The Fire Flingers"

Strand Tonight

Harry Morey starred in Role of the Great Outdoors in "Silent Strength" at the Strand Tonight. Also "Perils of Thunder Mountain."

## An 8% Preferred Cumulative Stock With 100% Common Stock Bonus

We offer the remaining portion of the Tex-la-homa Oil Corporation 8% cumulative preferred stock, with a bonus of 100% common stock, at \$100 per share. This preferred stock is convertible share for share. A 10% Sinking Fund is provided.

This offering presents exceptional opportunity to far sighted investors who are in a position to interest themselves in an enterprise with a promising future ahead of it. We have made an extensive investigation of this company and its officers and we have confirmed reports on its properties. We believe there are excellent possibilities here for profitable investment.

Tex-la-homa Oil Corporation owns leases in Oklahoma, Texas and Louisiana. It is a producing concern with a splendid income. As an example of this company's property we call attention to the Cushing Property (Oklahoma) comprising 320 acres of settled production in the Cushing Pool. Its daily output is about 115 barrels a day. During January, February and one half of April the net income from this property was about \$10,000 a month.

Reports indicate that the Oklahoma properties alone are able to pay the 8% preferred dividends plus the entire expenses of the corporation. Negotiations were instituted during the past week for the Louisiana properties by a large independent company whose securities are listed on the New York Stock Exchange. The figure mentioned was around \$1,750,000. These Louisiana properties cost the Tex-la-homa Corporation in the neighborhood of \$3,150,000.

The Tex-la-homa Oil Corporation is well managed. A number of competent, highly trained and successful executives are included in its list of officers. A good management, the promptness with which the company holds, and the natural growth of the organization will go a long way towards insuring success.

We have prepared a special circular giving full information on Tex-la-homa Oil Corporation. We will gladly send a copy to anyone interested.

## Miss Ruby Orton, Who Discards Stockings

The new Paris fad of girls appearing in public without stockings has been recently tried out in gay New York. It created a sensation there and the published reports caused pretty Ruby Orton of John Robinson's circus to sit up and take notice.

For a year, in fact, long before the Paris fad was mentioned in America, Miss Orton has been riding without stockings. Of course she wears shoes with a cute little toe cap and a fluff skirt and other things that go with women's attire but stockings are not in evidence.

"Guess I have beaten the Paris style by a year," said Miss Orton recently. "I ride without stockings and now, that their absence seems to be all the rage I intend to do without them altogether—that is until the weather becomes too cold for comfort."

Miss Orton will be in Portsmouth with the circus Saturday, August 23rd and on that day she promises to live up to the Paris mode of dressing. Its a safe bet that every man in Portsmouth will endeavor to get at least one glimpse of Miss Orton.

## KITTY GORDON

Patrons of the Lyric Theatre will welcome magnificent Kitty Gordon in the big United Superpicture, "Adèle," which will be seen here tonight. The famous star and screen beauty will be seen as the brave and lovable American Red Cross Nurse who in the path of duty meets her life's romance as she ministers to the wounded in France. The story is that of a Louisiana girl and is believed to present the most adventurous of the author, Adele Monahan, from whose widely read book, "The Nurse's Story," the play is adapted. The story fascinates with its thrill, swift action and suspense and presents Kitty Gordon in a novel phase of artistry.

A nurse's charming costume serves as a refreshing counterpart to the richness of dress which adorns the fashion-setting star in the earlier part of the play and reveals this popular actress in unusual and appealing attire. Marion Hamilton, artistic and popular leading man, plays opposite to Miss Gordon.

In his staging of "Adèle," Wallace Worley is said to have caught the author's remarkable inspiration, and to have blended the thrilling action with finished artistic direction in this production of one of the most compelling screen dramas of the year.

By request Miss Edna Morley will sing the latest love selections.

## Arcaea

Have you been watching this serial "The Red Glove"? If so you want to see episode re-enacted entitled "The Rope of Death." Marie Walcamp is highly featured in this serial. It is one line of continuous excitement. As added attractions, Horst Pathe News and a dandy Star comedy "The Tea House" will be shown. Don't forget the time and place.

Coming to Portsmouth.

IRONTON, Aug. 21—Mr. and Mrs. Martin Slaughter of South Ninth street to their home on South Ninth street to Mr. Homer Woodburn. Mr. and Mrs. Slaughter will move to Portsmouth within the next few weeks where they will make their home as Mr. Slaughter is employed there.

## Government Morris' Greatest Novel "When My Ship Comes In" Starring Beautiful Jane Grey at the Exhibit Tomorrow Only A Powerful Picture.

There is no one phase of American life more interesting or more repulsive than the romance and human interest than the story comes to light in Government Morris' story of theatrical life "When My Ship Comes In" which will be presented for the first time in this city at the Lyric Theatre tomorrow. Mr. Morris has taken for his principal character the daughter of a sea captain whose natural grace and beauty have led her to a place on the stage. The road to success on the stage is paved with many pitfalls, heartaches and disappointments. Silver, the love of this story is no exception and it is

in the recounting of these many adventures that makes this story the most entertaining work of fiction ever adapted to the screen. Jane Grey, one of the American stage's most fascinating stars has the principal part in this picture. That of Silver Sands the heroine. If you have read the novel you know the wonderful romance and interesting mystery in the story. If you haven't read the book—well, you want to see this photo-dramatic version of the best novel of modern fiction. Another good Sunshine comedy will be the added attraction tomorrow.

at the Strand tonight. The settings of the feature are mountains, lakes and rivers, and he is the central figure in the most amazing case of double identity ever brought to the screen. His role is that of a young lumber king, who wins the heart of a society girl visiting in the mountains. Unknown to him, in the city, he has a cousin and the physical resemblance between them is so strong, that the girl on returning home meets the cousin and mistakes him for her mountain sweetheart. The rascally cousin deceives and marries her, and also robs him of his fortune. And more bears it all in silence to spare the girl whom he had hoped to marry. But cheer up—the end of this fascinating romance will please you. Another episode of the snow serial, "The Perils of Thunder Mountain," will also be presented.

Big Deal At Russell

IRONTON, Aug. 21—One of the largest real estate deals made in Russell for some time was that consummated yesterday when Thomas De Mayo sold to Vance Brown and associates a tract of land bordering on the county bridge just at the lower end of Russell and comprising quite a lot of unplatted land and four houses. The purchase price is understood to have been about \$20,000.

It is understood that the property will eventually be taken over by the C. & O. railroad company in furtherance of its enlargement plans in Russell.

## FOIL ATTEMPT TO SMUGGLE MONEY

LONDON, August 20.—A Copenhagen dispatch to the Exchange Telegraph says it is believed that the 20,000,000 marks, an attempt to smuggle which from Berlin to Switzerland was frustrated by policemen in air planes, belonged to the former crown prince. A highly placed person has been arrested in connection with the attempt to take the money from the country.

## LOGAN, O., AUGUST 21.—(By Tele.)

22, arrested at Greenville, in connection with the death of Frances Jewell, 8, whose body was found Tuesday in a pool beside a creek, and transferred to the county jail here because of the intense feeling aroused at Greenville.

Phelps pleaded not guilty, waived examination and was remanded to jail without bond.

## PLAN FOR IRONTON HOTEL OPENING

IRONTON, O., August 21.—The hotel directors held a meeting last night to consider the matter of the opening and other matters of business importance to the company. But it is with the opening of the splendid new hotel the public is concerned. A tentative plan has been decided upon by Mr. McInnes, the general and popular manager, and if it is carried out, no happier arrangements could be desired.

As planned now the hotel will be opened on September 1st from two to four and from seven to nine for public inspection, during which time visitors will be privileged to inspect the

magnificent new hostelry. A free luncheon and dance will be enjoyed during the hours from nine to twelve o'clock and all know what a social feature this will be.

Open house during certain hours.

Mrs. Edith Cooper of Gallia avenue has returned home after spending two weeks in Cleveland.

Layne Varnell is ill at his home on Cedar street.

Miss Edith Redwine has returned to her home on Stanton avenue after a month's visit with her folks at Moonbeam, Ky.

Miss Grace Henry of Park ave. has returned for a delightful week's visit with Mrs. Bernia Barnett and daughter Miss Hazel of Wilber, O.

The members of the Ladies Aid Society of the Baptist church met today in the basement of the church. All were present.

Miss Beatrice Cunningham has returned to her home in Indianapolis after a visit with Mr. and Mrs. T. W. Hamilton of Rhodes avenue.

Mr. and Mrs. H. E. Collier and Mr. and Mrs. H. E. Collier and daughter Edna Bell are ill at their home on Rhodes avenue.

Mrs. James Young, of Glenwood avenue, has as guests today, Mrs. William Jenkins and Mrs. Albert Weston and children of Stockdale.

Mrs. Edith Cooper of Gallia avenue has returned home after spending two weeks in Cleveland.

Layne Varnell is ill at his home on Cedar street.

# Closing Day Of Institute Tomorrow

Friday is the last day of the Select County Teachers' Institute, which has been held in Wheelersburg this week, and which has been a marked success, with the interest keyed to the "eth" power through the lecture of Dr. M. A. Leiper, Western State Normal, Bowling Green, Ky., and the co-operation of the county teachers, Superintendent O. McCowan and other superintendents in the county.

Tomorrow's program is as follows:

8:30—9:00—Reading.

9:00—10:00—Address—Prof. B. H. Souder, of Miami University.

10:00—10:30—Recess.

10:30—11:30—Dramatization as a Language Exercise—Dr. M. A. Leiper.

11:30 a. m.—Noon—1:00 p. m.

1:00—1:30—Staging.

1:30—2:15—Extension Work—Prof. B. H. Souder.

2:15—2:45—Recess.

2:45—3:30—How to Secure Interest and Attention—Dr. M. A. Leiper.

3:30—4:00—Reports of Committees.

Certificates of attendance given to teachers. Dismissal.

"If the Millennium ever comes, it will be through the Public School and the Church of God," said Dr. M. A. Leiper, head of the English Department of the Western State Normal at Bowling Green, Ky., Wednesday night.

Dr. Leiper was at his best Wednesday night in addressing a crowded auditorium of the patrons of the Wheelersburg High School and teachers throughout this district. He highly complimented the people of Wheelersburg and vicinity, on erecting such a splendid building as the High School.

"If there is any spot in this world holier than any other it is the place where the souls of the rising genera-

tions are being prepared not only for this world but for the next one," said Dr. Leiper speaking of the school building. Going on to say, "The representative spot in this community is the public school, which is the corner stone of civilization."

"One would think from the glowing criticism hurled at the public school system within the last few years," he said, "that the system had been a monumental failure. But I maintain that this universal system in our country has been the great element in building civilization here and has been the last which saved the civilization of the world in these last few years."

His subject was "A Century of the Public School," and he told that just a century ago the first universal public school system was established in Indiana.

Is it a success?

"At a cost of less than \$40 per capita it has given 90,000,000 of people that which they would now as individuals never part with for a million dollars apiece—the knowledge of reading and writing," said Dr. Leiper in proving that the system has been a success.

"The great growth of civilization in this century of the public school," said Dr. Leiper in his lecture which was at once a strong defense of the public school system and a plea for a greater and broader system of teaching.

Musical last night was led by Miss Gertrude Schmidt and Miss Caroline McCurdy as pianist.

The officers elected for the institute for the year are as follows:

President—C. T. Hatcher, District Superintendent.

Secretary—Edna McCarty.

## Conference August 27

The fifty-second annual session of the Kentucky Annual Conference of the M. E. church will be held at the Mainline church near Fullerton, on August 27, at 10 a. m. All members and friends are cordially invited to attend.

L. L. HIGLEY, Secretary

## Finishing New Mills

The ten new sheet mills in the Whitaker-Giesner plant are receiving their finishing touch and will soon be ready for operation. They will add many more skilled workmen to the company's payroll.

The mills are now being equipped with their housings.

## Touring Northern Ohio

Phil Wolff, of the Wolff Clothing company of this city, is making a tour of Northern Ohio, where he plans to open another store in the early fall.

## Falls From Train

Wilbur Brown, aged 14, whose parents reside in the North End, suffered multiple bruises about the head and arms yesterday when he fell from an N. & W. freight train as it was passing through the north end of the city.

## Meet Walker in City

Lieut. Paul Walker, who recently returned from overseas, is here on a visit to home folks before being discharged. He is the picture of health and his many friends are glad to see him.

## To Visit Him

James Duverdeck, of Ironton, will spend the next two weeks with Portsmouth relatives and friends.

## Buy House

Albert Taylor, an N. & W. foreman, has purchased M. M. McInnes's fine home on Eighteenth street. Mr. McGee, who is a roller in the Whitaker-Giesner plant, will move down town. The deal was closed by the Brierley Realty company.

## Buy an Oakland

Harold Rhodes, a local grocer, has purchased a wire-wheeled Oakland touring car from Agent H. E. Frawling. The car was delivered today.

## Was in Queen City

Edward Appel has returned from a business trip to Cincinnati in the interest of the Hibbs Hardware company.

## Goutte Reduced Three Inches In Three Weeks, For Day on Ohio, Lady

Mrs. Esther Happer, 44, No. 15, Dayton, Ohio, says in her own home paper, The Dayton News, "I had a goutte for three weeks. It caused such aches in my throat at times that it would choke me and I could hardly talk. I thought it was my tonsils. After three weeks, I am glad to tell my doctor, even by letter, that my throat is all right."

Borhol's Goutte comes in small bottles containing enough for most cases. It is applied externally and will not irritate the skin. It dissolves the goutte and leaves the parts in healthy normal condition. Requires ten minutes daily. Get further information at Borerhol's Drug Store, drug stores everywhere or write Borerhol Company, Mechanicville, Ohio.

Note—It would be illegal to publish above statements if they were not true.

### Many Advantages Dentists

Three competent registered dentists consult one another in your individual case, giving many advantages not perceptible to casual observer.

Free examination.

### Horlick's the Original Malted Milk—Avoid Imitations & Substitutes

The Ironton Register Wednesday of local interest said:

We have it in confidence that two sets of interests are at work on the bridge project at this point. We also learn that one of the interested gentlemen has purchased considerable land in Russell anticipating the coming of the bridge. We have also learned that Cincinnati financial interests may become interested in the bridge project and further and lastly we have been informed by a man who should know that the bridge will be constructed within three years' time between Ironton and Russell.

## APPEALS TO POLICE TO FIND WIFE

Thos. Thompson, a Pine Creek farmer is in the city on the lookout for his wife, Carrie V. Thompson and four year old son.

According to Mr. Thompson his wife left home six weeks ago in a huff following a quarrel with her oldest son whom she says hit her with a luggy whip. Mrs. Thompson left her home and took three of her children with her and found lodgment with a relative on Dogwood Ridge. A week ago Mr. Thompson heard that his wife had left that place and found employment at 136 Second street this city.

He found however upon investigation that there was no house on Second street by that number and he has appealed to the police to locate his runaway wife.

Mrs. Thompson at times is not mentally responsible her husband claims and for that reason he is particularly anxious to locate her.

THE GILBERT GROCERY CO.

## WITH THE SICK

Mrs. E. J. Zeigler, of Sixth street, is in receipt of a telegram from her son-in-law, Major General E. P. Clark, of Springfield, Mass., stating that the operation Mrs. Clark underwent a few days ago was successful and she is improving daily. Mrs. Clark was formerly Miss Mae Zeigler of this city.

The many friends of Mrs. Walter Dodge of Fourteenth street, will be pleased to learn that she is recovering nicely from a surgical operation which she underwent Tuesday at Henspeled hospital.

William Bruch, Sr., who recently underwent an operation in Henspeled hospital for hernia, is improving so rapidly that he has been moved to his home, 425 Eighth street.

Attorney Horace L. Small has returned from Cincinnati, where he looked after legal business for several days.

Idle Because of Strike

Roy Gordon, who is prominently cast in "A Regular Fellow," one of the season's successes on Broadway, is temporarily out of a job. The Actors' strike has closed the theatre in which his company has been showing on Broadway. Mr. and Mrs. Gordon are enjoying a visit to the seashore until the actors' difficulties are adjusted.

At Steel Plant

Edward Allison, of Tenth street, has taken a job in the steel mill of the Whitaker-Giesner plant.

## In The War

Mrs. E. Barber McFadden of Columbia, formerly Miss Emma Barber, of this city, has been here for the past week visiting her sister, Mrs. F. McFadden of Twelfth street, nephew, Russell Barber and great-nephew, Albert L. Simpson and Glen Bell, who recently were honorably released from service in the navy.

Mrs. McFadden was one of the first volunteer nurses to leave Columbia last October for Camp Sherman, to care for the soldiers during the influenza epidemic. From Camp Sherman she was sent by the government to Nitero, near Charleston, W. Va., where she remained until the signing of the armistice.

From Charleston she went to Washington where she spent three months, during two months of this time to welfare work among the hundreds of girls who are employed by the Chesapeake and Potomac Telephone Co. Among these girls were girls from every state in the union, who did their bit in the world's great struggle. She praises very highly the way in which these girls are protected, entertained and cared for by this company during their stay in Washington.

Mrs. McFadden is now doing private nursing in Columbia.

## Sciotoville And Wheelersburg

Mr. and Mrs. M. Smith have moved to their new home in the Farmington addition.

Mrs. Baby Taylor of Woodland avenue, is ill with complications.

Howard Francis of Woodland avenue, is visiting her grandmother, Mrs. D. A. Cowan, of Concord, Ky.

Mrs. Fred Driver, of Main street, entertained the members of Mrs. Norma Stewart's Sunday School class of the M. E. church on Tuesday evening.

The delightful affair was planned as a surprise for Mrs. Ross Stout, who will leave soon for Detroit, Mich., to make her future home.

Amusing contests were indulged in in which Mrs. Emma Dikins won the first prize and the second went to Mrs. Frank Williams.

Complimenting the evening refreshments of ice and cake were served to the following guests: Mesdames

Ross Stout, Norma Stewart, S. S. Johnson, John Wehler, Otto Bell, Elmer Jenkins, Emma Dikins, William Bolander, Frank Williams, Mattie Beston, Trilla Martin, Miss Angela Hoke, Bernice Simpson, Ruth Stewart, Thelma and Leta Johnson.

Miss Margaret Stevens of Jackson is the guest of Mr. and Mrs. W. A. Smith.

Miss Gladys White and Rodney and Ernest White left last night for a few weeks visit with relatives at Dayton, Va.

Mrs. Delmer Scott and son, Harry, and Mrs. Davenport Mamm and her daughter, Miss Kathleen of Linwood, will compose a party this evening and attend the Millbrook Casino.

Miss Kathleen Shumy was shopping in Portsmouth yesterday.

Mrs. H. O. Odell is very ill at her home in Long Meadow.

## WHEELERSBURG

Miss Winifred Dole entertained the Women's own Missionary Society, of the M. E. church, yesterday afternoon. A very interesting program was given followed with a social hour during which a refreshment course was served. The next session will be held at the home of Mrs. M. E. Mackay on Sept. 17.

Miss Chloë Giffin of Deepwood Ridge was the guest Wednesday of Mrs. Philip Pflanz.

## Court House

Mrs. Ashley Asha Diverce

In her petition for divorce from Alva L. Ashley, which has been filed by Miller, Miller and Scott, attorneys for Nellie B. Ashley, the plaintiff, charges her husband with criminal cruelty, disregarding his marital duties, with cursing and beating her, and with committing adultery with one Mrs. J. O. Osborn, at 58 Valley street, New Boston, on the night of August 6, 1919, and numerous other facts and places unknown to the plaintiff.

The couple were married September 27, 1912, and have four children. Mrs. Ashley has secured an injunction preventing the defendant from paying to her husband his wages. Her petition calls for divorce, alimony and custody of the children.

**Probate Court News**

The following cases have been filed in the probate office:

The inventory and appraisement of the estate of David Bradshaw, deceased. Amount \$593.91.

The first and final account of the estate of Agatha Gaskie. Amount \$127.17.

The will of the late Irene Houston was filed for probate.

The first and final account of the estate of Marie Katherine Appel, deceased. Amount \$24.47.

The inventory of the estate of Charles Jones, deceased. Amount \$460.

**Boy Released**

Henderson Campbell, 15, colored, who was among the three boys who came here from Toledo by freight train last evening, was released by Judge N. B. Gilliland, in juvenile court today. The boy promised to get work here and stay long enough to earn his fare to Memphis, Tenn., where he will go to the home of his uncle. He came here with a little Italian boy by the name of Marco.

and a French boy, Fred DeFane from Detroit. Marco is in the hands of Portsmouth relatives while DeFane is being held for his parents.

**Marriage Licenses**

Anderson Adams, 22, steamworker, New Boston, and Ole Hays, 18, cooper, New Boston. Squire A. J. Flaney.

## Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Miss Wise—I notice, that a number of your clients are unhappy wives and as I have been married ten years and still a happy and contented wife, I wish to help you in your wise counsel to the less fortunate. To be a successful wife is a far greater achievement than to be a successful business woman and it requires more than one accomplishment such as having a pretty face, or being an expert housekeeper. If the former were necessary, I would have been a decided failure and the latter, I have seen men whose wives were such perfect housekeepers that he acted like his home was built of soap, and the sooner he was out of it the better, for fear he might crack a shell. Congenial companionship is the keynote to marital happiness. Every human being craves a little affection, the same as they crave bread, so, occasionally while hubby is reading the paper, slip up behind him and run your fingers through his hair and tell him you won't "ruffle" a bit. Allow him to lean back in his easy chair and prop his feet on the library table (with a newspaper under them) and don't get cross if he should spill a little soda on the rug. Don't have anything to your house that is too nice for your husband to enjoy the comforts of home and then, would because he spends his evening away from home. Laugh at a joke he tells you though you heard it before. If necessary, you can be boss so long as you have the tact of not allowing him to know that you know it. When justified you can allow your anger to come to the boiling point but do not let it boil over, as this often puts out the fire of love. Read the

### FOR ITCHING TORTURE

Use Antiseptic Liquid Zeno

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy. Any drugstore can supply you with Zeno, which is generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zeno. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zeno is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

The E. W. Rose Co., Cleveland, O.

tripe in July of which I have no exact record. Billie Burke is alive. She is Mrs. Florence Ziegfeld.

Dear Miss Wise—I would like to have your honest opinion of a girl who flirts. All the girls I run with flirt. It is awful hard to keep from flirting sometimes, especially if the boy is real, real good looking. Sometimes boys in machines flirt with us, but we never get in the machine with them, and we never get acquainted with boys through flirting. We do not mean any harm, and it seems as though it is the style to flirt. Will thank you very much if you will not hesitate to answer me plainly, and will abide by your advice.

#### MISS FLIRTATION

When everyone has the same sort of dress, or hat, it makes the style common, and you are then attracted mostly by something different and unusual, something fresh and new that is not cheapened by being familiar to the eye.

Now it cheapens you and makes you just as common to the people who see you, and you will be of the same pattern as the hundreds of girls in the city who go through the "Flirting Stage."

Don't do it. The men realize you are cheap. The women who are the mothers of the men pray that you may never be a daughter-in-law of theirs, and altogether it is a silly kind of amusement which does not require brains or heart.

"Worried Sister"—If you are not too lazy, get a job and take care of yourself and leave your husband. If you leave him and can prove the statement you made in the letter you will probably get alimony. You'll have to see a lawyer about that. However, alimony or no alimony, you ought to leave him under the circumstances.

#### SOCIETY

Miss Wilma Kiff, of Ruggles, Ky., who has been a guest at the home of Mr. and Mrs. W. G. Kiff, of McConnell avenue, and other relatives here and in Sciotoville, returned to her home this morning. She was accompanied home by her cousin, Miss Frances Dill, of Sciotoville.

Dr. Grace Purdon of Chillicothe, is the guest of Miss Helen Purdon of Eighth street.

Mr. and Mrs. W. W. Hanzaker and son Walter of Norwood, Cincinnati, are the guests of Mr. and Mrs. Morris Copas of Gay street.

Miss Jane Held of Scioto Trail is enjoying a two weeks vacation. Miss Held is employed in the Stry Shoe Co's office.

# MAZOLA

The Perfect Oil for Cooking and Salads

THE general use of Mazola is remarkable:

Your can of Mazola gives you a fat for shortening, cake-making, deep fat frying, sautéing. And for salad dressings, either mayonnaise, cooked mayonnaise, or French dressing Mazola is matchless.

And remember—Mazola is equal to Better for cooking—Better than Olive Oil for salads, at half the price of either. Better, more Wholesome and Economical than lard or compounds.

FREE Wonderful Cook Book. Write today for it.

#### Skin Without Wrinkles

Now Easy To Have

There's no excuse for any woman having wrinkles now. It has been found that a simple mixture of water and witch hazel has a remarkable action upon the deepest wrinkles, no matter what their nature, whether caused by weather, worry, habitual frowning, a debilitated condition or the ravages of Father Time. This harmless remedy, which anyone can easily make and use at home, acts both as an astringent and a tonic. The combined effect of tightening the skin and brightening its vitality is to immediately affect every line and wrinkle, keeping the cuticle smooth and firm and the eyes clear. (The proportions are one ounce witch hazel (powdered) to one-half pint which hazel, (carefully which are found in every drug store. The solution should be used as a wash lotion. It is equally effective in astringing of flabbiness of cheek and neck, as well as sagging below the eyes.)

After a delightful visit with her grandmother Mrs. Philip Klugman of Fourth street and other relatives in this city, Miss Catherine Neil will return to her home in Zanesville, Thursday.

Mrs. Bursie Richmond and two sons Ray and Bursie of Cincinnati are the guests of Mr. and Mrs. George Schaefer, Sixth and Offshore streets.

Mrs. D. T. Noll of Mayfield left for her home Tuesday morning after a two weeks visit with Mr. and Mrs. Edward Hall of 632 Fifth street.

Mr. and Mrs. W. E. Stanley and children, Paul, Merle and Donald, of Rosedale, Ky., are visiting her parents, Mr. and Mrs. John Cook, of Jackson street.

Mr. and Mrs. Harry Bowser, Mrs. Bruce Hedden, Miss Jesse Collins, and Miss Zoe Francis all of Columbus, returned here Tuesday to spend the day with Mrs. Bertha Lile, Seventh street. The party motored back to Columbus today.

Miss Mollie Davis, of Wellston, spent a week with relatives of Portsmouth and was accompanied home by her niece, Mrs. L. E. Robertson, of Rhodes avenue, New Boston.

Mrs. William H. Burkel and daughter Katherine, of Abingdon, Va., are in Baltimore, Md., where Katherine is in a hospital taking treatment from Dr. Guy H. Munzer, the noted kidney specialist. Katherine's friends will be pleased to know that she will not be compelled to undergo an operation as was feared. Her brother, William Adam Burkel, is here visiting at the Burkel home on Fourth street during his mother's absence.

## Nationalism A Menace To The League

(Continued from Page One)

League of Nations was of more importance than any single detail of international history, and before that league would follow Italy in defying the award of Shantung to China, and with the Italian renouance, the whole League of Nations experiment.

We next encountered nationalism in Hungary, combined this time with Bolshevism, when the Hungarian people refused to throw off Bolsheviks as long as only moral influence were exerted, but promptly appealed to the Paris Conference when Russian arms intervened, while the Hungarians, in their turn defying the Paris Conference, proceeded to take what they had claimed without regard to the several notes emanating from Paris and signed Clemenceau.

It is apparent then, that in every case where the League of Nations idea and the Conference of Paris decisions have encountered nationalism, the result has been either a compromise violating the essential principles of the League of Nations, as in the case of Shantung, a deadlock as in the case of Hungary, or, in the latest case, a deliberate defiance and an appeal to force.

Now is it transparent that this sort of thing cannot go on without reducing the whole League of Nations project to nothing short of a ridiculous position. The American Senate seems inclined to repudiate the pledge given by President Wilson to France, and if it does France will be free to stay on the Rhine. The Italians have not the smallest intention to abandon Fiume, the Japanese purpose in Shantung are at least unaltered, the Rumanians are sleeping in Bucharest, and still advancing in the Danub, while the Poles, the Lithuanians, the Bulgarians, the Greeks, to mention only a few other nations and races, are more and more tending to rely upon force rather than upon abstract moral principles for the assertion of their claims. Actually, and the thing must soon be apparent to everybody, the Conference of Paris is falling in the face of the nationalism of the hour precisely as President Wilson failed in the matter of the submarines. Notes and ultimatums, language unaccompanied by force, are achieving as little now as then. In the end we had to go to war with Germany or get off the ocean. Now at no distant time the nations who, up to the present moment, constitute the League of Nations, will have to use force against Italy and Rumania, against Greece, and not improbably against Poland, Serbia, Turkey and various other nations, to compel them to surrender what they believe to be their sacred and historic rights, or abdicate and let quarrels which are at least old-fashioned, be settled by methods which are even more old-fashioned.

Moreover, and this point is of equal importance to the American people, there is a growing feeling in France as there is a positive conviction in Italy, and uncontrolled determination in Rumania, to recognize the failure of the League of Nations principle and revert to the direct methods of the past. The Peace Conference at Paris, still functioning on the lines laid down by the League of Nations Covenant, has just about reached the point where it has discovered that the only way to make peace founded on approximate justice permanent is to be prepared both physically and morally to fight all the time.

Nationalism when we were wont to cover at five years ago, has now challenged the whole League of Nations idea openly and directly provoked by force of arms to realize ambitions, which, on the whole must excite sympathy in many quarters and in no single instance represent a violation of the rights of self determination one quarter as much as does the Italian occupation of the German speaking Tyrol and the Slavophone districts in the hinterlands of Trieste or the Japanese acquisition of Shantung. We must now either join the Hungarians, who were our enemies in a few months ago, in expelling Rumania from Hungary, with the certainty that if the Hungarians get to Bucharest they will repeat their former excesses and that if in company with us they defeat the Rumanian army, they will seek to enforce claims even more unrighteous than those the Rumanians are enforcing, or we must abdicate. We must recognize that the League of Nations there won't work in a world as obstinate as the present and among people as confirmed in their nationalism as those which now inhabit the Eastern part of Europe.

The following is the state examiner's report on the audit of the administration of the board of control.

**BOARD OF CONTROL.** September 20, 1918.  
March 1, 1917. H. H. Kapa, Mayor, President; Ralph C. Culver, Director of Service; E. K. S. Clinkensbeard, Director of Safety, (resigned June 29, 1917); G. W. Sheppard, Director of Safety, (appointed July 1, 1917); H. J. Gillen, Clerk, (March 1, to August 27, 1917); A. E. Doerr, (August 28 to October 29, 1917); J. E. Fritz, (October 30, 1917 to September 20, 1918).

It would appear from the records that, with the exception of a few months, the sessions of the board of control were held weekly during the period covered by this audit.

The minutes are transcribed in long hand in a record provided for the purpose, and are properly authenticated by the signatures of the presiding officer and clerk.

The minutes are neatly and legibly transcribed but in some particulars are lacking in detail. It is advisable that there be entered in the minutes the substance of all bids received on each improvement, this data properly being included in the board as it is upon such data that the award is made. A complete record should be made of all data coming before the board upon which they are required to take official action.

Contracts were awarded and the director of service was authorized to enter into same as follows:

- March 6, 1917, with S. Monroe and Sons Co., for extra work on the road work, Chillicothe to Officers street, at their bid, \$2,603.71.
- March 27, 1917, with Henry Ruel for the furnishing and driving of the water works pumping station, at his bid, \$1,125.00.
- March 27, 1917, with Curtis and Shumway for extras in repairing of the reservoir, at their bid, \$1,250.00.
- May 9, 1917, with Curtis and Shumway for extras in the repairing of the reservoir, at their bid, \$9,703.94.
- July 5, 1917, with S. Monroe and Sons Co., for the improvement of Twenty-first street from Timmons avenue to Grandview avenue, by sewer and paving the roadway thereof with Portsmouth black top, at their bid, \$13,575.50.
- September 23, 1917, with C. E. Noyes for the construction of a public comfort station, at his bid, \$5,126.00.
- October 13, 1917, with S. Monroe and Sons Co. for the furnishing of material and labor for the completion of the extension of the road from Chillicothe street to Officers street, at their bid, \$24,450.04.
- November 8, 1917, with The General Service Co., for the furnishing of all material and machine work for lowering and installing road pump at Madison street station, at their bid, \$308.60.
- November 13, 1917, with S. Monroe and Sons Co. for the improvement of Grandview avenue, from the north property line of 20th street to the south property line of 21st street, by sewer, and paving the roadway thereof with Portsmouth black, concrete base, top, at their bid, \$2,918.70.
- December 4, 1917, with Harold Wendelken, for taking up and replacing 1,450 square yards of paving, in relation to Hill Top sewer construction, at his bid, \$2,000.00.

It would appear from the records of the board of control that no con-

tracts were awarded on behalf of the public safety department.

Contracts thus indicated appear to be supplemental to contracts previously entered into, the board approving same in accordance with the provisions of Section 4381, General Code.

The awards as heretofore set forth were made on the unanimous vote of the board. As indicated by the records and files, the awards were made to the lowest bidder as per the tabulations submitted.

Unless there are modifying conditions the contract should always be awarded to the lowest bidder. We are aware that the law pertaining to the awarding of contracts gives discretionary power, and that award may be made to another than the lowest bidder.

The various counts of the State in passing upon the authority vested in the awarding officials in the determining of the lowest and best bidder, have held:

"The director is permitted under the law to take the best proposition offered, and in determining same may take into consideration the quantity, efficiency and feasibility of the thing to be furnished, the qualification and responsibility of the bidder and the price in view of all other considerations." 28 C. C. 239.

A power given the director to make a contract with the lowest and best bidder confers on such director a discretion to determine which is the lowest and best bidder under all circumstances." 63 C. S. 340.

"But the discretion is a sound discretion, a power to make a determination based on facts, after investigation and not a power to make merely an arbitrary determination." TN, P. 528.

Under the law it is not necessary for the board of control, in determining the lowest bidder, to take only into consideration the least sum bid, for if this were always done it might be that at some time the other provision of the law, the award to the best bidder, would be subverted. The bidder who submits the lowest in point of dollars and cents may ultimately not be the lowest bidder as pertaining to the actual cost of the improvement.

It is for this reason that the legislature, in the enactment of this provision of the law, compelled the best with the lowest.

The board of control should always exercise such a degree of care that no errors may be made in their determination. To this end, in all awards for street improvements, the board should insist that the engineer should at all times be accurate in reporting the preliminary estimates of quantities, that these quantities be the result of proper surveys and investigations.

The board of control should have accurate and reliable information as to the extent of the improvement and as to the unit quantities entering into the improvement in order that it may be enabled to determine who is the lowest bidder; this determination not to be based on fictitious quantities, but on the quantities that are liable to enter into the final estimate when the work is completed. In this manner only can the interests of the taxpayers be properly conserved.

**REJECTION OF BIDS.** It was noted from the records that at times the board of control rejected bids and directed that resubmission be had.

The board of control has no authority vested in it as to the rejection of bids submitted, this authority is vested in the director of the appropriate department. It is not for the board of control to say that the bids are irregular or that they exceed the engineer's preliminary estimate or the available funds, this is the duty that is inherent in the head of the department.

Section 4329, General Code, provides in part:

"The director may reject any and all bids. Where there is reason to believe there is collusion or combination among bidders, the bids of those concerned therein shall be rejected."

The above section pertains to the duty of the director of service, and under the provisions of Section 4371, General Code, is equally applicable to the duties of the director of safety.

Sections 4378, 4379 and 4380, General Code, govern the authority or duty of the directors of service and safety after bids have been received. It is clearly the duty of the director to pass upon the regularity of bids and to either accept or reject the same, submitting to the board of control only such bids as are regular in every particular. After bids have been opened and tabulated and found to be correct and acceptable, under the law, it is the further duty of the director to submit the same to the board of control accompanied by his statement as to the one he considers the lowest and best. The board of control, after passing upon the bids, may accept the judgment of the director or reject the same and make award to another than the one designated by the director. The making of the award is entirely in the hands of the board of control, and after bids are submitted the board has no option than to make an award as it has no power in the rejection of any bid submitted; as before stated, this power being vested in the director. We would advise that heretofore the director of the department in which the bids are received, carefully pass on such bids, rejecting all that are irregular for any legal cause, and submit to the board of control only such bids as may be legally passed upon by said board in the making of the award.

In this connection it might be well to note that the board has no jurisdiction as to the awarding of contracts wherein the amount involved is not in excess of five hundred dollars. Under the law it has no more to do in the awarding of contracts, wherein the expenditure is not in excess of five hundred dollars, than it has in fixing the compensation of the employees of the safety and service departments.

It was noted from the minutes that the board of control officially passed upon the sale of real and personal property belonging to the city—very particularly upon the minutes as found on pages 185 and 235 of the record.

We call the attention of the board of control to the provisions of Sections 5229, 5243 and 4371, General Code, wherein the procedure as to the lease and sale of real estate and the sale of personal property is set forth. After the proper authorization has been given by council, it becomes the duty of the head of the appropriate department, in accordance with the law to the purpose of the property by sale or lease. If the estimated value of personal property is less than five hundred dollars the director of service may dispose of same without advertisement and authority of council, but the director of safety can dispose of no property under his jurisdiction without first being authorized by council. Under no circumstances has the board of control any jurisdiction in the sale or lease of property.

It would appear from the records that many matters were officially considered by the board with which, under the law, it had nothing to do.

Under the provisions of Section 4381, General Code, the mayor, when he deems necessary, may call together the directors of the several departments for the purpose of consultation and advice as to the affairs of the city, but such a conference does not constitute a board of control, or the action taken at such a meeting is not the action of such a board. It is evident from the records that the mayor, the director of service and the director of safety have considered their duties as members of the board of control as stipulated in Sections 4369 and 4380, General Code, with the advisory duties as set forth in Section 4383, General Code.

The powers of the board of control are confined within narrow limits, the extent of their power being the awarding or approval of official and supplemental contracts only; their duties being such as are prescribed in Sections 4361, 4362 and 4381, General Code. The board should carefully consider and be satisfied by extraneous matters, and the minutes should not be cluttered with matters that do not pertain to the awarding of official or the approval of supplemental contracts.

We trust the recommendations herein set forth may heretofore be duly observed.

It is very important, so far as affecting the rights of the taxpayers, to be advised that the board of control confine themselves within the requirements of the law, and that they exercise that degree of care in the awarding and the passing of contracts, as will secure to the taxpayers the protection to which they are entitled.

Under the law, the board of control has no jurisdiction in the awarding of contracts for the removal of the board of control.

**DOCTOR JACKSON'S Digestive and Liver Powder**  
Used wherever stomachs suffer. Price 10c and \$1.00 at all druggists. Send 10c stamp to The Jackson Mfg. Co., Zanesville, O., for sample package.

## GIVES VIVID DESCRIPTION OF HOLY LAND

### COMING TO PORTSMOUTH, O.

Dr. Albert F. Snell

Of Snell's Private Sanitarium at Cincinnati, Ohio, will be in

Portsmouth, O.  
Monday and Tuesday,  
August 25th and 26th  
Two Days Only  
At Manhattan Hotel

The doctor treats all Chronic Diseases and Deformities of men, women and children. Many cases might be saved from a dangerous operation by going under the doctor's treatment.

**All Diseases of Men, Women and Children Treated**

Gastric and Stomach Diseases are given special attention. If you have catarrhal trouble go and be examined. The sick and afflicted should take advantage of the opportunity here offered. Go and have it settled in your mind. If your case is curable, he will tell you so frankly; if incurable he will give you his advice. No sick man or woman should fail to consult this specialist.

If you have Rheumatism, Nervousness, Dropsy, Swelling of the Feet or Hands, Liver Trouble, Heart Disease, Nervous Debility, any nervous disease or weakness, Salivary Complication, Distress, Dyspepsia, Indigestion, Constipation, Stomach or Bowel Trouble or Eruptions, go and let Dr. Snell see you. Bleaches, Blood and Scalp Diseases, Piles and Hemorrhoids successfully treated.

### Ladies

who suffer from Sick Headache, Melancholia, Spinal Trouble, special diseases, or having any deviations from health caused by irregularities, weakness, or disease peculiar to women, should consult this specialist.

Ovarian or womb troubles treated without the knife. If you have been advised by any one to undergo a surgical operation for womb or ovarian difficulties, rupture or piles, do not listen to it and have your life endangered by the lance, knife or needle before consulting this specialist.

### Old or Young Men

It matters not what your ailments may be, or how long standing, if your future health and happiness are at stake consult this doctor specialist.

It matters not what the ailment may be; it matters not what discouraging reports may have been made from any doctor; if it matters not if you have been told that you are incurable. Go and consult this eminent doctor and if there is the faintest thread upon which to hang a hope you will find hope there, with the treatment that will lead you to health, contentment and happiness.

**SPECIAL ATTENTION** given to Chemical and Microscopical examination of Blood, Urine and Sputum, and all patients suffering from Nervous and Mental complications.

Address all communications to

Dr. Albert F. Snell

1031 Webster Avenue

Cincinnati, Ohio.

A large crowd greeted Rev. Paul Clark of Cincinnati last evening when he gave an illustrated lecture in the First Baptist church on "The Holy Land."

He has traveled extensively and was in Jerusalem when the world war broke out. He related many interesting things concerning the prevailing conditions there. The lecture brought back to one's mind the things that actually took place during the life of Christ.

"This land is thought of, as one that existed in the long ago, while it did, and still exists the Holy Land, there seem to be of modern structure," the speaker said. "They are very massive, most of them being built of stone and lighted by electricity. Palestine is a city about as large as the state of Massachusetts." The streets are narrow and seem of a winding nature as a country road in our land. The cities in the "Holy Land" are called Jericho. Trains in this land seem of an ancient kind, having a small engine appearing as one of the States and many, many years ago.

Rev. Clark stated that several hotels modern built were in this land being recently named from the proprietor. He related to two streets, David and Christian, in Jerusalem he having traveled these very much during his stay there. "Natives of the 'Holy Land' dress as the people did in the time of Christ. No automobiles or trolleys and luggies are seen there, but the people travel or drive over the land on donkeys. The men wear a heavy cloth of some description over their heads. There they say what will keep out the cold will keep out the heat so no distinction is made in the land dress from one season to the other. The men are seen riding on donkeys about the streets with water in what they term a wine skin while the women carry water in a heavy earthen jar. The Jews there are distinguished from other classes of people by their long beards and thick hair growing on the side of each cheek."

It is no common occurrence there to see a stable and one's home all built under the same roof, this seeming rather queer to the people of the States. Modern Jericho is a city small in size, which reminds one of a small town or merely a village in our land. The houses are built as one would expect to see in a quiet town, with narrow streets and no street lights. Rev. Clark is a very enthusiastic speaker and related to many things which gave a vivid description of the "Holy Land," during the life of Christ. He has lectured in various large cities in United States and has always had large and appreciative audiences.

## ACHING, SWOLLEN, PERSPIRING FEET

Try the New Way—No Pain, No Fuss—Just Solid Comfort. Guaranteed.

In one minute after an application of Dosh Cream you'll get the relief of swelling feet with literally jump for joy. Dosh Cream is easy and simple to use. No fuss, no trouble, you just apply it over the surface of the feet night and morning, or when occasion requires, and the feet are cool and comfortable. (In the way it ends all foot misery, while for feet that swell and give off an offensive odor, there's nothing better in the world.)

**IMPORTANT!**—It is not necessary to use the bath unless there is a good deal of redness and inflammation. In most cases Dosh Cream will soothe and soothe away the foot and in the case of itching will usually be found sufficient. Most dealers can supply you, but if you don't accept a substitute. We will gladly send either. Mail charges paid on receipt of 3c each, silver or stamps, plus 1c. Dosh Manufacturing Co., Glen, N. Y.

NEW YORK, Aug. 21—Jack Dillon, world's welterweight boxing champion who is to meet Mike O'Dowd in the middleweight title in an eight round bout at Newark Friday, received an offer to meet Japanese champion the English welterweight champion.

## We Put Your Tooth to Sleep, Not You!

We prepare and fill Hypersensitive cavities. Take out nerves. Grind down and crown teeth. Extract broken-down, decayed roots. ALL WITHOUT PAIN. This is not bunk. Come in and we will prove the above statement.

**DR. H. E. HAWK**  
DENTIST  
Third and Chillicothe Streets  
Open evenings until 8:30. Sunday by Appointment

## All The Late Novelties In Summer Suitings

Our work is our best advertisement—fit and workmanship spell our success.

**THE THREE LITTLE TAILORS**

# Steel Plant Completely Outclassed Solvay Team Wednesday

## Hand Adversaries Shut Out Before A Crowd Of 4,500, Whitlatch Solvay's Master

| TEAM        | W  | L  | Pct. |
|-------------|----|----|------|
| Steel Plant | 19 | 13 | .594 |
| Solvay      | 12 | 7  | .632 |
| Whitlatch   | 20 | 12 | .625 |
| St. Louis   | 20 | 10 | .667 |
| N. & W.     | 20 | 9  | .690 |
| St. Paul    | 20 | 8  | .714 |

Before the largest crowd that ever saw a ball game in this section of the city, the entire playing field being fringed with a dense mass of spectators, the Steel Plant team gained quite a triumph on Wednesday evening at the Scrabble street ball yards when they played the only first-class team they met, the Solvay team, and managed to shut them out.

The Steelmen, playing the game up to the ball completely outclassed their opponents who came in like broken front jacks on a city dump and who acted as though they had a bad case of rickets from start to finish. But had the Solvay given their star hurler, "Doc" Baughman, perfect support, it is not likely they could have won, for Mr. Whitlatch, who occupied the mound for the Steelmen, was a bear and a terror of a ball player. He held the second place to four hits one of which was a smash and he fanned seven. He was supreme at all times and only found himself in the hole on one occasion from which he extricated himself with much skill and aplomb. Cool and calculating determined and daring, he stood out there like a four karat setting in pure platinum and was so meanly in his delivery that he had the Solvay boys swinging like gates and waving their arms like windmills, doing good-bye to friends and foe. It was Mr. Whitlatch's party and he made merry with his guests. He was given almost perfect support by his teammates who failed to make a single fielding mistake. The Steelmen most certainly looked like the class of the game in yesterday's struggle which turned out to be so one-sided that it truly was a great deal of its punch.

Baughman, who was in the box for the Solvay team, had a heart of steel, for he pitched a great game in the face of support that would have caused any other but a stout hearted guy to flinch on the sponge. His faithful went to pieces on more than one occasion and never really met an emergency. In fact, at first and McNamara at second played miserable ball in spots, while Cooper was not at his best, starting the trouble in the second when he tossed to third on a sure out, at first, with no man out. He missed his man and to Steelmen grabbed the chance and made full use of the opportunity. Behind the bat and on an off day, although he had a million or less chances.

While a great deal of the credit for victory goes to Mr. Whitlatch, nevertheless Haupt in center was one of the real heroes of the game. The big fellow roamed all over the middle ground pulling down four lousy flies and led his team at bat with three good solid drives, one of which was a double. He scored two runs and was fairly much the unsung hero of the game. Stated at first also put up a great game, saving Haupt an error by the catch of a fly, that was several feet over his head. He also got a couple of hits in three times at bat. Stated behind the bat, never caught a runner, but he reached Whitlatch, his most intelligent manner and then to the mark like a shot. He heard to lay away the last victim, when he was hit out.

The crowd was a beauty—a fair estimate placed it at 4,500. Perhaps there were more, for they were packed like sardines and the entire playing field was encased in a solid wall of humanity, with the exception of back of center when the crowd was struck out on the N. & W. right of way like a volcano on an ocean trough. Secretary Gilligan who was as chipper as a squirrel, made the rounds of the clubhouse and reported a total of 335 spectators. Machines lined finding from Thirteenth to near the Capital and east as far as North Water. It was a wonderful crowd and spoke louder than words of the success and popularity of the Industrial League, which doubtless has come to stay.

Previous to the game the two teams led by the Macgregor band paraded the field and the plaudits of the multitude. The band had been secured by the Whitlatch-Glasser Co., a concern that is always willing to go the limit and to come to provide entertainment for the great throngs of spectators. The people of Portsmouth are greatly indebted to the big institution for its loyalty and thoughtfulness in providing music for the occasion. When the "Hoop" is on the job you can bet to the limit that the task will be completed to properly with all the trimmings.

When Baughman walked Shultz in the first inning it was a sort of confusion on the part of the Solvay rooters. However, while "Shorty" who had been up out of a sick bed to take his place in the lineup, got to second he did not come to a double play shift. Whitlatch disposed of the Solvay batters for the first three innings

striking out six of the first nine men to face him. In the second the Steelmen won the game, when they scored a couple of runs. Haupt, first up, clipped a line single to center. Grace fanned trying to lay down a bunt. Haupt took second on a wild pitch. Billwell rolled one to Cooper who could have easily nipped "Shorty" at first. He tossed wild to third and Haupt scored home like a scared rabbit. Billwell gulped to second. Prediger loomed up as the man of the hour driving safely to middle. Billwell scoring. Stalger was tossed out by Valodin and Whitlatch fanned to Benton.

In the next inning, Shultz fanned for a beginning, but Stalen beat out a hit to first that James fielded with his feet. He stole second and third in rapid succession. Haupt planted a double. The ball took a mean hop although Captain Delameter should have held it to a single. James booted Grace's roller and Haupt came in. Grace going to second when McNamara dropped Haupt's perfect pop. Billwell then loomed to James for the final out of this inning.

In the sixth the Steelmen added one more. Grace's lone went for a hit. He was forced by Billwell, a fine play by Baughman. Prediger was safe on James' error and Billwell came home when Stalger topped the ball for a single. Whitlatch rolled to short for a single. Shultz lined to Rollins in middle.

The Solvay had but one chance to score and that was in the fourth frame. Valodin filed away to Haupt and Baughman's Texas League to right went for a single. Cooper's single to left was turned into a double by fast sprinting. With men on second and third, Whitlatch arose to the emergency, pulling Benton on a pop fly to Stalen and catching James' terrific liner. The score:

| Steel Plant  | AB | R | H | PO | A | E |
|--------------|----|---|---|----|---|---|
| Shultz, ss   | 3  | 0 | 0 | 1  | 2 | 0 |
| Stalen, 1b   | 3  | 1 | 2 | 0  | 0 | 0 |
| Evans, 3b    | 4  | 0 | 0 | 0  | 0 | 0 |
| Haupt, c     | 4  | 2 | 3 | 4  | 0 | 0 |
| Grace, r     | 4  | 0 | 1 | 0  | 0 | 0 |
| Billwell, e  | 3  | 2 | 0 | 10 | 1 | 0 |
| Prediger, 1  | 3  | 0 | 1 | 0  | 0 | 0 |
| Stalger, 2   | 3  | 0 | 1 | 2  | 0 | 0 |
| Whitlatch, p | 3  | 0 | 0 | 1  | 0 | 0 |
| Totals       | 30 | 5 | 8 | 21 | 5 | 0 |

**Score by Innings**  
Steel Plant 0 2 0 0 1 0—6  
Solvay 0 0 0 0 0 0—0  
Two base hits—Haupt, Cooper.  
Sacrifice hits—Stalen.  
Solen bases—Stalen 2; Cooper.  
First base on balls—Whitlatch 1; Baughman 1.  
Struck out—Whitlatch 8; Baughman 1.  
Double plays—McNamara unassisted; McNamara to Cooper.  
Passed balls—Benton.  
Wild pitches—Baughman 2.  
Time of game—1:50.  
Umpires—Kearney and Doherty.  
Attendance 4,500.

**Notes of the Game**  
Secretary Gilligan stated after the game that the directors had not yet decided upon the next game between the Steel Plant and Solvay. He said due consideration was being given the suggestion that the two teams play at Millbrook next Sunday, if being understood that Manager W. N. Gableman would give the Industrial League a share of the receipts. He said he would consult with Mr. Gableman Thursday and get his best proposition. He would then submit it to the directors and President Dan W. Conroy. The Steel Plant is now one full game ahead of the Solvay and should they win the next game the pennant will be theirs. In the event the Solvay win, it will be necessary to play a deciding game. Talk about your world's series—the race in the Industrial League is a big series all in itself.

Haupt in center played a great game for the Steelmen. The big fellow pulled down four lousy flies and blocked down Delameter's hit that was rightfully a two-bump shot. He was in the game up to his ears when it came to swinging the cutoff and poked out three safe hits in four at bats. As a clean up hitter he ranked as one of the best in the league. Haupt has the distinction of being the only first baseman in the league, but it might be a pretty good idea for some of the other players to take a crop. If sell more there has anything to do with playing the game up to the hilt.

Manager Earl Clark of the Steelmen gave a hole in the oak board on the players bench. He was sitting all over the seat and kept up a perfect din of chatter to his players. Earl is a hard loader, but since taking hold of the team has witnessed but one defeat for his boys and that was administered by the Railroaders. While Manager Clark was away on his vacation, the managerial reins were handled by Howard K. Moore, who kept up the string of victories and handled over the reins to Manager Clark with a clean slate. Some system.

Pitcher Whitlatch twisted a great game for the Steelmen. The spinballer was as cool as a cucumber on the mound and always had the whip hand. He does not have as much speed as

# "Wee Willie" Prout To Play With Wiedemanns At Millbrook Sunday

PENNY ANTE

A Guy Who'll Quit "Banking"

some, but his control is all to the mercy and he can put every ball he pitches in a quart cup if he so desires. He is slow, but deliberate and puts something on every ball he serves up. Nothing a hard hitting team like the Solvay to four hits and administering a clean coat of whitewash is some feat for the Lawrence county machine. His salary partner, Charlie Billwell, handled his delivery in the shape and deserves much credit for the victory.

"Doc" Baughman twisted a great game, but his faithful support was away below par. Some of the hits registered against him were infield rollers at least four of them. But they counted like "steeps" drives in a game of ten pins and look mighty good in the columns. As is usually the case all the breaks of the game went to the winners. Had Baughman received his just deserts the score would have been much smaller. But "Doc" smiled through it all and declares he will secure revenge in the next game. He is confident he can beat the Steelmen, despite the fact his team is always held in check by the leaders.

Stalger at second played a bang-up game for the Steelmen, although his chances were not numerous. He played a roller beautifully, always coming in on the bruised bulb and not allowing the ball to play him. He robbed Valodin of a single by a remarkable stop and stopped around quite lively on the base path.

The trouble with some of the Solvay infielders is that they allow the ball to play them. Instead of playing the ball, James missed a couple of rollers and McNamara missed at least one by passing the ball. James, of course, is playing out of his position and never claimed to be an infielder although he is willing to play anywhere. He is a catcher by trade and a good one, too, and likes nothing better than to don the shin guards and chest protector.

Guess Wendell Stalen was not in his glory last night. He not only played a grand game at first, but grabbed off a couple of hits and pitched as many bases. He is one of the classiest first basemen in this part of the country and were he able to hit harder could easily get a job higher up. He has a splendid position at the Steel Plant and professional offers have no allurements for him. He is a lover of strength to his team which he has realized most skillfully.

"Shorty" Shultz got up out of a sick bed to take part in the game and he attended to everything that came his way with courage and skill. He is one of the best all round players in the league and is as full of pepper as a hot tomato.

The fans are very grateful indeed to the Steel Plant for furnishing the crack Macgregor band for the occasion. Last Saturday the Whitlatch-Glasser Co. paid for the Millbrook land. Nothing is too good for the employees of the big mill, and of course the fans reaped the benefit of the company's liberality last evening. He hats off to the Whitlatch-Glasser Co. Portsmouth's biggest industrial plant.

That big Eddie Roush is surely playing great ball for the Reds. He was there with a home run, a double and a sacrifice yesterday. He put the game in cold storage in the first stanza when he sent Ruth home ahead of him with a foul cushion shot.

## How Reds Are Batting

Here are the latest batting averages of those joyous Reddies:

| Player    | AB  | R  | H   | SH | SB | SL | HR  | Ave. |
|-----------|-----|----|-----|----|----|----|-----|------|
| See       | 5   | 0  | 2   | 0  | 0  | 0  | 0   | .400 |
| Allen     | 13  | 4  | 5   | 0  | 0  | 0  | 1   | .385 |
| Roush     | 121 | 10 | 12  | 15 | 9  | 2  | 320 |      |
| Daubert   | 40  | 1  | 12  | 26 | 10 | 7  | 11  | .298 |
| Grod      | 110 | 14 | 22  | 11 | 10 | 4  | 294 |      |
| Eller     | 50  | 8  | 20  | 1  | 2  | 3  | 1   | .290 |
| Wingo     | 182 | 25 | 52  | 4  | 8  | 0  | 0   | .286 |
| Fisher    | 44  | 0  | 12  | 2  | 1  | 1  | 0   | .273 |
| Nesler    | 359 | 46 | 100 | 28 | 10 | 10 | 1   | .261 |
| Kopf      | 493 | 57 | 106 | 15 | 13 | 10 | 1   | .259 |
| Bath      | 373 | 41 | 96  | 11 | 15 | 13 | 5   | .257 |
| Smith     | 100 | 15 | 26  | 4  | 1  | 0  | 2   | .233 |
| Harmon    | 171 | 14 | 38  | 5  | 4  | 5  | 3   | .223 |
| Hessler   | 158 | 22 | 37  | 2  | 3  | 3  | 4   | .222 |
| Magee     | 148 | 0  | 25  | 7  | 1  | 6  | 0   | .200 |
| Boucher   | 70  | 2  | 13  | 2  | 0  | 2  | 0   | .186 |
| Salice    | 54  | 3  | 9   | 5  | 1  | 2  | 0   | .167 |
| Germer    | 6   | 1  | 1   | 0  | 1  | 0  | 0   | .167 |
| Logue     | 28  | 2  | 4   | 3  | 0  | 1  | 0   | .143 |
| Hing      | 41  | 2  | 4   | 2  | 0  | 0  | 0   | .095 |
| Mitchell  | 10  | 0  | 0   | 0  | 0  | 0  | 0   | .000 |
| Schreiner | 3   | 0  | 0   | 0  | 0  | 0  | 0   | .000 |
| Duncan    | 1   | 0  | 0   | 0  | 0  | 0  | 0   | .000 |

Club batting: .264; fielding: .974.

## Reds Win 8; Lose 3

The Reds have played 11 games on their present trip and eight have been victories. This is surely a champion

chip clip. They won four in New York, three in Brooklyn and the speed in Beantown yesterday. They lost two in New York and one in Brooklyn.

## Third Round Is Started

PITTSBURGH, Pa., Aug. 21—Francis Outmet, of Boston, and Robert T. Jones, Jr., of Atlanta, were favorites to win their way to the final round of the national amateur golf championship, when the players started today in the third round. Outmet defeated Charles Evans, Jr., yesterday in an association match, one up.

Outmet played J. Wood Viall, of the North Hills Club, of Philadelphia, today. Viall has been playing good golf in the tournament and the Boston player did not take him lightly. Outmet and W. C. Fowles, Jr., of Oklahoma, are the only former champions remaining in the field.

## Giants Gain Half Game

The Giants gained half a game on the Reds yesterday as they won two games while the Reds were winning one. At this rate the season would have to be extended to January 1 for the Metropolitans to beat out the Cincinnatians.

## TO REMAIN IN THE INTERNATIONAL

Pitcher Jones and Catcher O'Neill, who were part of the purchase price the New York Nationals gave to the Boston Braves for Pitcher Neff, both are with International League Clubs, Jones with Toronto and O'Neill with Rochester. However, it is understood, the arrangement is that they will not be recalled by Boston at once.

## Season Is Extended

DALLAS, TEXAS, August 21.—Action of the Texas League club owners in extending the season two weeks, beginning the second half to a close September 21, has stirred fresh interest in the race, for practically all eight clubs think they now have a chance to win the second half and thus play off with Shreveport for the 1919 pennant. The league directors at their meeting arranged details for this series.

The series will follow the plan used in the World's Series, with the team winning four games declared the winner. Players of the competing teams will receive 50 percent of the receipts of the first four games and divide the money 60 and 40. Admission prices also were fixed by the league for the series, ranging from 50 cents to \$1.50.

An Eastern promoter has just offered a purse of \$25,000 for a six round fight between Benny Leonard and Lew Tindler, the crack Philadelphia fighter. The bout will be staged in one of the ball parks in Philly.

Charles Albert (Chief) Bender, who has been showing that he's as crafty as an er by pitching unbeatable ball for Richmond in the Virginia League, has been offered a berth with the Cincinnati Reds and has agreed to join them after September 6, when the Virginia season closes. That will be too late to make him eligible for the World's series—if the Reds get in it—but he can be a lot of help in the meantime and his advice on the bench will just about clinch the Reds' successful race.

Wilson called for Demaree.  
Batter batted for Demaree.

# ADMINISTRATION SEEKS COMPROMISE ON TREATY 2 BANDITS REPORTED CAPTURED

## PROPOSES INTERPRETIVE RESERVATIONS UNATTACHED FROM ACTUAL RATIFICATION

WASHINGTON, Aug. 21.—The first open move for a compromise in the League of Nations fight came from administration quarters today, centered in a proposal that the Senate accept interpretive reservations, but that they be kept apart from the actual ratification of the treaty.

The overtures met with no immediate success on the Republican side of the chamber, senators of the Republican reservation group declaring they could not recede from their position, that to be effective, the reservation must go into the ratification itself.

Senator Pittman, of Nevada, a Democratic member of the foreign relations committee, presented the compromise proposal in the form of a resolution embodying in effect the four interpretive reservations and declaring them to constitute the Senate's understanding of disputed points in the covenant.

In the Republican draft, however, it is expressly provided that the reservations be made a part of the treaty by the instrument of ratification, a provision which Senator McNary, of Oregon, and others of the group of reserve Republicans said they considered absolutely necessary if enough Republican votes are to be obtained to secure ratification of the treaty.

To overcome this objection, Senator Pittman proposed in a speech in the Senate that the resolution be adopted at once and submitted to the other House who will be represented on the League council.

**Reserve Takes Exception**

A general debate developed during which Senator Borah, Republican, Indiana, and others took exception to President Wilson's distinction between legal and legal obligations under the treaty as expressed in yesterday's White House conference between the President and the foreign relations committee.

Although Senator Pittman said he had not submitted his resolution for the President's approval, he asserted that it carried into effect Mr. Wilson's views on the subject of reservations as expressed to the committee yesterday.

He indicated his firm belief that the administration would go no further toward a compromise because it feared that inclusion of the reservations in the ratification would reopen the negotiations with Germany.

**McNary Fights Support**

Leaders of the McNary group, nevertheless, insisted they had information that in the end their plan would have Democratic support.

An attack on the Shantung provision of the treaty was made in the Senate by Senator McCormick, Republican, Illinois, who asserted that by accepting the provisions the United States would become a party to one of the most outrageous exhibitions of "hypocrisy and violence." In the Senate's history.

The Shantung provision also was under consideration before the foreign relations committee which was told by Mr. C. F. Ferguson, adviser to the Chinese president, that China regarded

## WOMAN AIDS U.S. IN PLANNING BIG LABOR CONFERENCE

Miss Grace Abbott has been designated to represent the U. S. labor department in connection with the work of the international labor conference. She has sailed for London, where she will work with the organization committee until it moves to Washington this fall to complete arrangements. She has been in charge of the administration of the national child labor law.

## DEADLOCK IN LOUISVILLE CAR STRIKE

LOUISVILLE, KY., Aug. 21.—The strike of 1300 employees of the Louisville Street Railway Company entered its third day today without a car on the streets. Both company and employees were in a deadlock and neither willing to submit to any plan which would lead to a re-opening of negotiations looking toward a settlement.

Attempts to operate cars yesterday led to the injury of 28 persons, eight probably seriously. Most of the injured were strike breakers, who were taken from the cars and beaten by strikers. Others were struck by thrown stones.

## COST BARS THE METAL BADGES

CINCINNATI, O., Aug. 21.—There is serious manifestation of the high cost of living in the absence of badges from the breasts of delegates to the national convention of the Metal Polishers' International Union in session here. Such badges are usually in part of metal. The omission was explained to the delegates yesterday by President W. W. Britton as follows:

"We were compelled to dispense with the badges on account of the enormous increase in the cost of the same and the need of the money for other things."

After a protracted discussion the convention yesterday went on record in favor of a 48 hour work week, and unions in all cities are instructed to making agreements to govern themselves accordingly.

## MOONSHINE STILL FOUND IN A WOODS

CLEVELAND, O., Aug. 21.—What officers believe to be the largest moonshine still in Ohio, was put out of commission late last night, when Cleveland detectives and federal authorities raided a house in a wood near Fullerton, Geauga county.

Four of the alleged moonshine gang were arrested and 350 gallons of whiskey seized. Modern apparatus for making liquor was found.

## L & N Train Held Up

NASHVILLE, TENN., Aug. 21.—Naked bandits held up a Louisville and Nashville passenger train Number 7, from Cincinnati to Montgomery, Alabama, between Columbia and Paducah, early today and carried off the mail pouches.

## HOWARD CHANDLER CHRISTY AND BRIDE SNAPPED AFTER MARRIAGE RECENTLY

Howard Chandler Christy and Nancy May Palmer, his model, whom he married recently.

Nancy May Palmer, the model who has posed for Howard Chandler Christy for nine years, recently became Mrs. Christy. She posed for well known war posters, including "Americans All" and "I Want You for the Navy." She is twenty-six. He is forty-seven.

## MARTIAL LAW IN HUNGARY

COPENHAGEN, August 21.—Mar-out Hungary, says a Budapest dispatch, has been proclaimed through-out the country.

## American And German Sailors Stage A Battle

COPENHAGEN, Aug. 21.—Collision between German and American sailors on Tuesday at New-fahrwasser resulted in the wounding of several civilians and one German seaman, according to Danish dispatches received here today. Newfoundland is a support, four miles north of Thaur.

## More Bridge Talk

The Ironton Register Wednesday of local interest said:

"We have it in confidence that two acts of interests are at work on the bridge project at this point. We also learn that one of the interested gentlemen has purchased considerable land in Russell anticipating the coming of several civilians and one German seaman, according to Danish dispatches received here today. Newfoundland is a support, four miles north of Thaur."

## ACTORS STRIKE; AUDIENCE DISMISSED

It seems that local people have felt the effects of the actor's strike now being waged in New York City. Paul Davidson, while in New York on a buying expedition for Marting's store was seated in one of the theatres one evening awaiting the curtain's rising when the announcement was made that the actors of that particular company had gone on a strike just a second before time for the curtain to rise.

The audience rose as a man and went to the ticket office for their tickets money.

Robert Goltz, 230 Eighth street, has reentered lively after recently undergoing an operation for the removal of his tonsils and adenoids.

## BRITAIN HAS EYE ON U. S. AIR MAIL

CLEVELAND, O., Aug. 21.—That the American airmail service is attracting international attention is indicated by the receipt of a letter from Winston Spencer Churchill, British air minister, to John A. Jordan, superintendent of the Cleveland-Chicago division, in which the minister seeks all possible data on the system. The letter has been forwarded to Washington.

The letter includes data on British air systems and points out that Great Britain is seeking every possible method to improve and develop airmail travel.

## ORDER FOOD RELEASED

TAMPA, FLA., Aug. 21.—Twenty-seven car loads of food ordered held up at Key West, enroute to Cuba from Jacksonville, has been ordered released. Attorney General Palmer wired District Attorney Philip that there was no evidence that it was being hoarded or was being sent away to prevent an investigation.

## COAL PROBE OPENS TUESDAY

WASHINGTON, D. C., August 21.—J. D. A. Morrow, vice president of the National Coal Association, will be called as the first witness in the Senate investigation of coal prices and distribution. The inquiry by the Senate filibuster commerce sub-committee will begin Tuesday.

## NASHVILLE IN GRIP OF CAR STRIKE

NASHVILLE, TENN., Aug. 21.—Street car service throughout the city was entirely suspended today as a result of the strike of conductors, and motormen of the Nashville, Railway and Light Company, which began last night at 8 o'clock. The company attempted late last night to operate a few cars with non-union employees, but the cars were attacked by union sympathizers and the effort was quickly abandoned.

The strikers demanded reinstatement of all employees discharged for joining the union, return of union men to their old runs and recognition of the right of the men to organize.

## NEW Clerk

Miss Sybil Smith, 522 Eighth street, has taken a position as clerk in the ribbon department of the Marting store.

Miss Pauline Welch, Jackson street, has returned from her vacation, which she spent in Columbia. Miss Welch is a clerk in the Marting store.

## WEATHER

WFO—Local showers and thunder storms and slightly cooler tonight. Friday probably fair; warmer in west portion.

## ONE BANDIT ALSO SAID TO HAVE BEEN SLAIN BY AMERICANS

MARFA, TEXAS, Aug. 21.—One bandit was believed to have been killed and two made prisoners, since American troops crossed the Rio Grande into Mexico Tuesday morning. A report received here last night told of an American cavalry sergeant who rode to the border after dark and reported that Captain Leonard Mallard, of the Eighth Cavalry, had captured two bandits believed to have been implicated in the capture of the aviators, Peterson and Davis.

Neither man was Renteria, the bandit leader, he said. One Mexican was killed Tuesday when American aviators returned their fire when they saw three bandits near the border, one of whom was seen to fall with his horse.

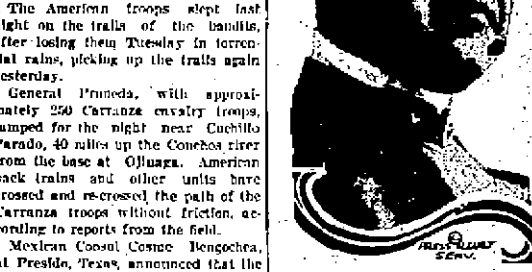

The American troops slept last night on the trails of the bandits, after losing them Tuesday in torrential rains, picking up the trails again yesterday.

General Pruneda, with approximately 250 Carranza cavalry troops, camped for the night near Chichilo Parado, 40 miles up the Conchos river from the base at Ojinaga. American pack trains and other units have crossed and re-crossed the path of the Carranza troops without friction, according to reports from the field.

Mexican Consul Cosme Benegocha, at Presido, Texas, announced that the Pruneda troops were on the same object as the American troops, to run down and capture the bandits. He anticipated no trouble between the two bodies of troops in the field. He also denied Chico Cuno, the bandit in Ojinaga district, was made captain of the Carranza column stationed at San Jose, opposite Indio, Texas, on the Rio Grande.

Major General Joseph T. Dickman, commander of the southern department, was expected here today to inspect the troops in the Big Bend district.

## ITALIAN LEADER, COUSIN OF KING, WILL VISIT U. S.

Duke D'Aosta, a recent photograph. Duke D'Aosta, commander of the Italian third army during the war and oldest cousin of King Victor Emmanuel, will visit the United States soon, according to word from Italy. He will go to China and Japan from this country.

## Give Me Liberty Or Give Me Death

Said the Cockroach, then he ran down the wall, made a sashay around the sink, hopped in the pantry—struck a bunch of Roach Powder—that the cook had telephoned to Flood and Blake for that morning. Burial private.

## OPENING STOCKS

NEW YORK, Aug. 21.—Unsettled industrial conditions, particularly in the steel trade, were again reflected in the heavy opening of today's stock market. Losses of 1 to 2 1/2 points were sustained by the equipment, motor and food groups. Rails and shipbuilding also declined, except Marine preferred. Firmer tendencies set in before the end of the first half hour on the support accorded United States Steel, Crucible Steel and oils, especially Mexican and Pan-American Petroleum.

## McAFEE'S GARAGE

All Work Guaranteed And Reasonable Rates 618 Third Street

## THE WOMAN

The Woman is the Economist, which is a word meaning originally House-keeper.

The Best Housekeeper uses a Check Book and has her Bank Account.

## To Enjoy Corn Roast

Members of the Portsmouth Golf Club will enjoy another of their famous corn roasts Saturday afternoon. It will follow a tournament in which probably 25 players will participate in.

# Steel Plant Completely Outclassed Solvay Team Wednesday

## Hand Adversaries Shut Out Before A Crowd Of 4,500, Whitlatch Solvay's Master

| TEAM        | STANDING | W  | L  | Pct  |
|-------------|----------|----|----|------|
| Steel Plant | 19       | 13 | 6  | .684 |
| Solvay      | 19       | 12 | 7  | .632 |
| Excelsior   | 20       | 12 | 8  | .600 |
| Sully       | 20       | 10 | 10 | .500 |
| N. & W.     | 20       | 9  | 11 | .451 |
| Drews       | 20       | 3  | 17 | .150 |

Before the largest crowd that ever saw a ball game in this section of the state, the entire playing field being fringed with a dense mass of spectators, the Steel Plant team gained quite a victory over the Solvay team Wednesday evening at the Severn street ball yards when they outplayed their only rivals, the Solvay team, by a score of 10 to 0.

The Steelmen, playing the game up to the last completely outclassed their opponents who came in like broken fruit jars on a city dump and who acted as though they had a bad case of rickets from start to finish. But the Solvay given their star pitcher "Doc" Baughman, perfect support, it is likely they could have won, for Mr. Whitlatch who occupied the mound for the Steelmen was a bear and a terror of a bear. He held the second players to four hits one of which was a scratch and he fanned 8. He was supreme at all times and only found himself in the hole on one occasion from which he extracted himself with much skill and aplomb. Coolly Gillilan who was an all-around and calculating determined and daring as he stood out there like a four karat diamond in the hole on one occasion from which he extracted himself with much skill and aplomb.

Mr. Whitlatch's party and, because and popularity of the Industrial made merry with his guests. He was given all right support by his teammates who failed to make a single fielding mistake. The Steelmen most certainly looked like the class of the league in yesterday's struggle which turned out to be an one-sided affair. The Solvay team, who was in the box for the first time, must have a heart of steel, for he played a great game in the face of support that would have caused any other but a stout hearted guy to lose on the sponge. His faithful went to pieces on more than one occasion and never really lost an emergency. James at first and McNamara at second play-

ed miserably ball in spots, while Cooper was not at his best, starting the trouble in the second when he tossed to third on a sure out at first, with one man out. He missed his man and the Steelmen grabbed the chance and made full use of the opportunity. Benton behind the bat had an off day, although he had a million or less chances.

While a great deal of the credit for victory goes to Mr. Whitlatch, pitcher, the Steelmen were one of the real forces in the game. The big fellow reared all over the middle garden pulling down four forty fives and led his team at bat with three good solid drives, one of which was a double. He scored two runs and was pretty much the mainstay of the team. Stalen at first also put up a great game, acting Haupt on an error by the catch of a relay, that was several feet over his head. He also got a couple of hits in three times at bat. Whitlatch behind the bat, never caught a prettier game. He coached Whitlatch a most intelligent manner and threw to the mark like a shot. He helped to lay away the last victim when Hollins tried out his arm.

The crowd was a beauty—a fair estimate places it at 4,500. Perhaps more were there, for they were packed in like sardines and the entire playing field was encased in a solid wall of humanity, with the exception of back seats of center when the crowd was strong out on the N. & W. right of way like sparrows on an eaves trough. Secretly Gillilan who was an all-around and calculating determined and daring as he stood out there like a four karat diamond in the hole on one occasion from which he extracted himself with much skill and aplomb.

## "Wee Willie" Prout To Play With Wiedemanns At Millbrook Sunday

Manager Charles Applegate, of the strong Wiedemann semi-pro team, has sent his line-up to Manager W. N. Gableman, and it is the same as the one that handed the locals a 2 to 0 thrashing several weeks ago, with the exception of the pitcher. Manager Applegate will pilot his classy team to Millbrook Park Sunday afternoon, in an effort to make the count 2 to 1 in favor of his lifelines. The fans here will recall that the first game between these two clubs ended 2 to 1 in favor of the locals who had to go eleven innings to win.

Manager Applegate will bring with him "Wee" Willie Prout, the Washington G. H. phenom, who several years ago played a short engagement with the Cincinnati Reds, but who did not display quite enough ability to stick in the big show. Fans of ten years ago will recall how Prout, as a member of the Washington G. H. team, slammed the pill around. It was a cold day in summer when the

single. Whitlatch rolled to short for a Solvay lead to Hollins in middle. The Solvay had but one chance to score and that was in the fourth frame. Valentin tried after Haupt and Baughman's Texas Leaper to right went for a single. Cooper's single to left was turned into a double by fast springing with men on second and third. Whitlatch arose to the emergency, getting Benton on a pop fly to Stalen and catching James' terrific liner. The score:

| Steel Plant    | AB | R | H | PO | A | E |
|----------------|----|---|---|----|---|---|
| Stalen, 1st    | 3  | 0 | 1 | 2  | 0 | 0 |

swinging the mangel and poked out three safe hits in four attempts. As a clean up hitter he ranked as one of the best in the league. Haupt has the distinction of being the only mangelballer in the league, but it might be a pretty good idea for some of the other players to raise a crop. If said mangel has anything to do with playing the game up to the hilt.

Manager Earl Clare of the Steelmen

# Firemen And Police Demand 25 Percent Increase In Salary

## Present Petitions To City Council; Action Demanded As Quickly As Possible

After going into executive session with City Solicitor Arthur Shotton, for nearly an hour, members of the city council agreed to adjourn until Friday evening at 7:30, when they will receive the reports of the different branches of city employees, in regard to a general increase in wages, based on the petition of the police and firemen for a wage raise of 25 percent of their present salaries.

Chief of Police Henry Clark and Captain Flowers, representing the city police department, several firemen also attended the meeting. Besides the petition signed by the above employees themselves, several other petitions, bearing on the same question, from the various city districts, were signed by practically every prominent business man and property owner in the city.

First year firemen and police now get \$50 per month, \$55 for the second year, and \$60 for the third year. The fireman's wage is \$100 per month. With a 25 percent raise, first year men would get \$112.50; second year, \$118.75; and third year, \$125. It was rumored that the two organizations had given up only three days to act upon the petition. This was strenuously denied by Chief Ben Cross, this morning, who said: "We set no definite time for action on the petition. We only asked that it be decided as quickly as possible."

In his report to members of the council, Mayor H. H. Kaps, said: "The city is in fine condition, and the reports from the heads of the departments are all O. K. The streets, however, remain very dirty, and weeds are growing unsightly in the city alleys. This cannot be blamed upon the safety department, as there is no money to leave the streets cleaned, and have the weeds cut."

"Relative to the petition of the police and firemen for their demand for a 25 percent raise," he continued, "I am heartily in favor of it. The wage scale in the city ordinances, as they now stand, calls for a sum of \$1.75 per day to be paid to city employees. Personally, I have not the heart or face to ask a man to work for such a sum. Still, I see no reason why only these two branches of city employees should be taken up, while the others are disregarded. The entire wage system for employees should be revised."

**Work Exception To Mayor's Statement**  
Councilman Westphal took immediate exception to the mayor's statement regarding the condition of the streets and alleys. He said:

"Would this honor please advise us where to secure the necessary funds for cleaning up the alleys and streets? As members of the council we would gladly do anything we could to alleviate the prevailing dirty state of the city, but there are no funds. There is no money and we can do nothing, and personally, as one councilman, I'll not take any shame from anybody."

The council chamber was filled with spectators and councilmen who came to see the fate of their several petitions. The meeting proved to be very interesting and a great deal of important business was transacted.

The following councilmen were present: Messrs. George W. Vandervort, Henry Winters, Henry P. Blicher, Howard Runyon, Albert Weghorst and Edward Westphal, with William Cramer, the only councilman absent. It was decided during the course of the meeting that the street committee

would go to Ashland with several members of the board of health, to inspect the new incineration plant of that city, with the view of securing one for Portsmouth. Dr. W. W. Smith was present from the board of health, and urged that this step be taken.

**Planning Inspector Says He Needs Auto**  
At a recent meeting of the board of health it was decided to ask council to appropriate \$1,000 to buy a small automobile, and enough money per annum to keep it in repair and gasoline, for the use of the planning inspector, for the use of it in his work. The subject was discussed last night, and referred to the police, fire, market and finance committee. The money so used would be taken from the funds gathered by the inspector from his fees.

The reports of Service Director Ralph Calvert were received, filed and legislation for the appropriations asked for.

N. D. Edwards, 2137 Seventh street, voting the opinion of the community at large, petitioned the council, through Councilman E. P. Ricker, to place a light on East Seventh street, halfway between Funk's Gro. and Broadway, and that the street be paved between Seventh and Eighth streets. Council referred the petition to the street and light committee.

A petition of the residents of near Eleventh and Gay streets, for the removal of a telephone pole which darkens the street light at the above corner, on the Eleventh street side, was referred to the light committee.

A communication from the Business Men's Association, requesting council to take the matter, relative to the placing telephone and telephone wires in underground conduits was received and referred to the ordinance committee, and the city collector.

The following ordinances were passed without dissenting vote:

**Many Ordinances Were Presented**  
Granting permission to W. L. Baker to move a four-room, two-story frame house from 715 Fifth street, to a vacant lot of the southwest corner of Fifth and Jefferson streets.

Approving plans, specifications and estimates, and appropriating money to pay the cost and expense of reconstructing and improving corner of Galois and Young streets; reconstructing and improving Cole's Boulevard; reconstructing, repaving and improving Tenth street from Flindley to Waller streets; reconstructing, repaving and improving Tenth street from Court to Flindley street; Mahert Road from Seventeenth street north 1,000 feet; Thomas street from Seventeenth street north 1,000 feet; Seventeenth street from Mahert Road to Thomas street; improving Jefferson street from Third to Fourth street, and reconstructing and repaving Station street from Front to Second street.

The point of Mileaside addition to the city of Portsmouth, platted by John P. Wilhelm and George H. Krickler, was accepted.

Approving plans, specifications and estimates, and appropriating money to pay the costs and expense of reconstructing a sewer at the corner of Seventeenth street and Mahert Road.

The petition for the placing of a sanitary sewer in the first alley south of Walnut street, between Plum and Chestnut streets, by the property owner in the vicinity, was referred to the street committee for a report.

**OBITUARY**  
Miss Cleo Barber Funeral  
Funeral services of Miss Cleo Barber, who died Tuesday morning at the home of her father, Mr. and Mrs. A. L. Barber, Third street, will be conducted from the Zion Lutheran church this afternoon at 2:30 o'clock, with Rev. O. L. Hammer of the E. C. church in charge. Burial will be in Greenwood cemetery.

**Frederick H. Frills**  
A long and useful life ended Wednesday afternoon at 3:30 o'clock when Frederick H. Frills, a well known real estate agent, passed to the great beyond at his home, 1401 Lincoln street. Mr. Frills had been ill since last May with heart trouble and death did not come unexpectedly. He is loved ones. He was a highly esteemed resident of this city and possessed a host of relatives and friends who mourn his demise.

**Mrs. J. H. Holliday**  
The body of Mrs. J. H. Holliday, who passed away at her late home in Ponca City, Oklahoma, sometime this week will arrive in Stoughton today on the N. & W. coast train, and will be taken to the home of Mrs. Amosetta Talma where funeral services will be conducted this afternoon at 2:30 with Rev. Carroll Stewart of the M. E. church in charge. Burial will be in Wheelersburg cemetery.

## Steel Plant Solvay Game

(Continued from Page Two)

There was a hole in the oak board on the players bench. He was sliding all over the seat and kept up a perfect din of chatter to his players. Earl is a hard loser, but since taking hold of the team has witnessed but one defeat for his boys and that was administered by the Ballroaders. While Manager Clark was away on his vacation, the managerial reins were handled by Howard K. Moore, who kept up the string of victories and handed over the reins to Manager Clark with a clean slate. Some system.

Pitcher Whitlatch twirled a great game for the Steelmen. The spinster like fellow was as cool as a cucumber on ice and always had the whip hand. He does not have as much speed as some, but his control is all to the mercy and he can put every ball he pitches in a quart cup if he so desires. He is slow, but deliberate and puts something on every ball he serves up. Fielding a hard hitting team like the Solvays to four hits and administering a clean coat of whitewash is some feat for the Lawrence county product. His battery partner, Charlie Stillwell, handled his delivery in fine shape and deserves much credit for the victory.

"Doc" Baughman twirled a great game, but his infield support was away below par. Some of the hits registered against him were infield rollers—at least four of them. But they count like "dodgy" strikes in a game of ten plays and look mighty good in the 15 column. As it usually is the case all the breaks of the game went to the winners. Had Baughman received his just desert, the score would have been seven runs, four hits, and two errors. "Doc" smiled through it all and declares he will secure revenge in the next game. He is confident he can beat the Steelmen, despite the fact his team is always held in check by the leaders.

Stalger at second played a long snap game for the Steelmen, although his catches were not numerous. He played a rather beautifully, always coming in on the bruised ball and not allowing the ball to play him. He robbed Valadin of a slake by a remarkable stop and stepped around quite lively on the base path.

The trouble with some of the Solvay infielders is that they allow the ball to play them, instead of playing the ball. James missed a couple of rollers and McNamara missed at least one by "burying" that method. James, of course, is playing out of his position and never claimed to be an infielder although he is willing to play anywhere. He is a catcher by trade and a good one, too, and likes nothing better than to don the shin guards and chest protector.

Guess Wendell Stalen was not in his glory last night. He not only played a grand game at first, but grabbed off a couple of hits and pitched on many bases. He is one of the classiest first sackers in this part of the country and while he is able to hit harder could easily get a job higher up. He has a splendid position at the Steel Plant and professional offers have no alternative for him. He is a tower of strength to his team which he has guided most skillfully.

"Shorty" Shultz got up out of a sick bed to take part in the game and he attended to everything that came his way with courage and skill. He is one of the best all round players in the league and is as full of pepper as a hot tomato.

The fans are very grateful indeed to the Steel Plant for furnishing the crack Maxbauer band for the occasion. Last Saturday the Whitaker-Glossner Co. paid for the three city bands. Nothing is too good for the employees of the big mill, and of course the fans reap the benefit of the company's liberality last evening. Its bats off to the Whitaker-Glossner Co. For its month's biggest industrial plant.

## Two Games Today

The Thursday Afternoon League will play a double header, on the Seventeenth and Flindley streets grounds this afternoon. The first game will be played at 2:30 p.m. when the Portsmouth Dry Goods will play the Portsmouth with the Critter. The two teams are tied for second place and a lively scrap is expected. At 5:30 the Andersons will again play the Hecchows. The Hecchows have been materially strengthened, by the sale of the Executive Committee, and it will be an even battle between the two.

## Closing Day Of Institute Tomorrow

### Splendid Interest Shown In Sessions

Friday is the last day of the Solvay County Teachers' Institute, which has been held in Wheelersburg this week, and which has been a marked success, with the interest keyed to the "nub" power through the lectures of Dr. M. A. Leiper, Western State Normal, Bowling Green, Ky., and the cooperation of the county teachers, Supt. F. O. McCoway and other superintendents in the county.

Tomorrow's program is as follows:  
8:30-9:00—Singing.  
9:00-10:00—Address—Prof. H. H. Reeder, of Miami University.  
10:00-10:30—Recess.  
10:30-11:30—Dramatization as a Language Exercise—Dr. M. A. Leiper.  
11:30 a. m.—Nights—1:00 p. m.  
1:00-1:30—Singing.  
1:30-2:15—Extension Work—Prof. H. H. Reeder.  
2:15-2:45—Recess.  
2:45-3:30—How to Secure Interest and Attention—Dr. M. A. Leiper.  
3:30-4:00—Reports of Committees.  
Certificates of attendance given to teachers. Dismissal.

"If the millennium ever comes, it will be through the Public School and the Church of God," said Dr. M. A. Leiper, head of the English Department of the Western State Normal at Bowling Green, Ky., Wednesday night. Dr. Leiper was at his best Wednesday night in addressing a crowded auditorium of the patrons of the Wheelersburg High School and teachers throughout this district. He highly complimented the people of Wheelersburg and vicinity, on erecting such a splendid building as the High School. "If there is any spot in this world

holier than any other it is the place where the souls of the rising generation are being prepared not only for this world but for the next one," said Dr. Leiper speaking of the school building. Going on to say, "The representative spot in this community is the public school, which is the corner stone of civilization."

"One would think from the scintillating criticism hurled at the public school system within the last few years," he said, "that the system had been a monumental failure. But I maintain that this universal system in our country has been the great element in building civilization here and has been the last which saved the civilization of the world in these last few years."

His subject was "A Century of the Public School," and he told that just a century ago the first universal public school system was established in Indiana.

Is it a success?  
"At a cost of less than \$40 per capita it has given 50,000,000 of people that which they would now as individuals never part with for a million dollars apiece—the knowledge of reading and writing," said Dr. Leiper, in proving that the system has been a success.

"The great growth of altruism in this century of the public school is the outcrop of the public school," said Dr. Leiper in his lecture, which was at once a strong defense of the public school system and a plea for a greater and broader system of teaching.

Musical night was led by Miss Gertrude Schmidt and Miss Caroline McCurdy as pianist.

**CURSES JACK! CHIN CHIN IS MISSING**  
There is a deep dark mystery at the Court House. Elmy, intangible, completely mystifying the entire assembly of officials and employees are under suspicion.

The whole mystery surrounds the dog pound, and the disappearance of a cute little French poodle, which for the lack of the correct name will be called Chin-Chin. The tale of utmost sadness, which was suddenly turned into unconfined joy is as follows:

Chin-Chin, was very plucky, white, very friendly, not so very large, quite dressed up in a saucy pink bow, but—alas! was untagged. Therefore it behooved the deputy sheriff to catch him and then intern him in the dog pound. For several days the officials waited for a distracted owner to appear. Joyfully claim Chin-Chin, and go tripping gladsomely away, with the dog license duly paid for.

Meantime Chin-Chin was using all his doggie powers of unhesitating friendship and was immediately the pet of everyone who visited the pound.

He made the most of his cunning little tricks such as begging for food (or was it release?), standing up on two feet, "speaking," and numerous other attractive stunts.

At last the day of his doom arrived as he was sentenced to death via the chloroform route. Tuesday. His wailing pleading eyes of brown, appealed to the heart of the executor, who decided to postpone the execution until Wednesday.

And here is where the mystery comes in—when the official went there, the pound was bare. Chin-Chin had escaped.

Now the question is—what let him out?

**HOW YOU CAN RENEW YOUR INSURANCE**  
The Red Cross Home Service department which aids the boys who return from service announces that government insurance can be renewed by a payment of the premium for the month of discharge and the month of application if the renewal is made any time within the next 15 months after discharge.

The application for renewal must be accompanied by a certificate stating that the physical health of the applicant is as good as when the insurance was taken.

Any one wishing to renew his insurance may call at Home Service Headquarters, First National Bank building, for help.

Red Cross Home Service work goes on splendidly in the county. Upper Nile and Washington townships were organized August 15th with Don Stockham as chairman of the following committee: Mrs. Ella M. Evans, secretary; Dr. D. N. Hopkins, after-care physician; and Albert Turner, Howard Smith, and A. K. Yeager, workers and visitors.

**Meeting Hour Changed**  
An important meeting of the Board of managers of the Home for Aged Women will be held at 1 o'clock this afternoon at the home, the hour having been changed from 2:30.

**Elks Hold Initiation**  
At a well attended meeting of the Portsmouth Lodge No. 1, P. O. Elks No. 154 last night the following members were initiated: Sam J. Weber, Frank Bishop, C. M. Ault, B. W. B.

Gilbert, C. E. Crepper and W. J. Hays. These candidates were elected to membership: Frank Coffey, Wm. Trice and Alfred Goldstein. A buffet lunch was served at the close of the meeting.

**Chance To Get On Crack U. S. Warship**  
Enlistments for the U. S. S. South Dakota are authorized by the Bureau of Navigation. The South Dakota is an armored cruiser and will be the flagship of Admiral Graves, new commander-in-chief of the Asiatic Station. She is the best ship in the armored cruiser type and after many months of active duty in the War Zone is about to start a pleasure cruise, visiting first New York and Panama Canal, then to the Orient (China, Japan, Honolulu, the Philippines, Siam and Formosa).

## Thirteen Injured In Wreck On N. & W. Near Norfolk

ROANOKE, Va., Aug. 21.—Thirteen persons were injured, none seriously, in the derailment of a Norfolk and Western passenger train near Bayes, Virginia, early today.

Five cars left the track, including two Pullman cars from southern points to New York.

At division headquarters of the N. & W. in East Portsmouth it was stated this morning that Roanoke was on another division and no official report of the wreck would be received.

A passing freight bid the oncoming passenger train from view.

Roberts at one time lived in Portsmouth and was well known here.

## ENGINE HITS AUTO; TWO KILLED

HAMILTON, O., Aug. 21.—More and Clifford Yarness, of this city, was fatally injured today when a passenger train struck an automobile in a collision on a grade crossing at midnight.

Roberts formerly of Ironton, was instantly killed and his mangled body was dragged in an automobile plowed on the front of a locomotive a city block.

Yarness, 31, was severely injured but he died, when he reached the hospital.

Yarness was driving a Buick automobile when it was struck by the train.

The train was carrying a load of lumber and was traveling at a high speed.

The collision occurred at a crossing near the city of Hamilton.

The train was operated by the Hamilton and Erie Railroad.

The automobile was driven by Clifford Yarness.
